

Mountaineers Play Elizabethton Team Tonight

Locals Have Chance To Get Revenge For '45 Loss

Unbeaten and Untied Mountaineers Take To Road To Face Toughest Opponents Yet

The Mountaineers leave at noon today for a trip to Elizabethton, Tenn., for their fourth game of the current gridiron season, which will start at 8 o'clock tonight.

With three victories under their belts, Waynesville will enter the field against a usually strong Class A team that so far has not compiled too good a record. It is a much improved team that Coaches Weatherly and Ratcliff take over the State line than the eleven that went down 39-0 when the two teams met last fall, and the chance for sweet revenge is present.

The Elizabethton Cyclone has faced three of the toughest high school combinations in East Tennessee, losing 17-0 to Young High and 27-0 to Knoxville high, then showed signs of regaining their power last week-end when they played Erwin, Tenn., to a tie.

So it will be the fourth game for each team, Waynesville without a loss in Class B competition and Elizabethton on the prowl for their first win of the season. It should boil down to a fairly even match, with neither team in good enough condition to pull punches.

Coach Weatherly spent Tuesday running his first string on defense, a subject he usually devotes little time to instruct. Tackles, ends and centers were kept on the rush to push into offensive lines and spoil tricky reverses that Elizabethton has been making on last Friday night. Punting, with the emphasis on correct blocking protection for the kicker, was practiced until all players had their jobs down pat.

But since games are won on the offense, the remainder of the week went into tutoring the first and

TONIGHT is the night to keep fingers crossed about the Mountaineers. It looks like this is their chance to take care of Elizabethton due to the records of both teams so far this season. However, it wouldn't be fair to class Murphy, Sylvia and Brevard in the same group of teams that Elizabethton has met. Young High and Knoxville high belong in the same class as Elizabethton did here last fall, so have quite a bit of respect for the Cyclone. However, we've seen the Mountaineers in action and know they have what it takes. On

second strings on ball carrying, perfecting plays and teamwork.

Joe McCracken, relief guard, is out with a broken arm, and Fred Calhoun, a substitute tackle, was sick over the week-end. Ervin Shook received a broken finger during the game last week, and will not be his best form. The remainder of the squad is in good condition for what should be the toughest game so far.

Waynesville's starting line-up will be similar to last weeks, with several of the reserves sure of being called in. Their opponents have been starting the following players: Hawkins and Treadway, ends; Range and Birchfield, tackles; Broom and Campbell, guards; Eastwood, center; Murray, Ode, Spurgeon and Fletcher in the backfield.

ness for the score: 14-6 in favor of Waynesville.

TENNESSEE is favored in most quarters to set Duke down in the same manner N. C. State did last week. However, we feel that the mean-spirited Duke didn't win last Saturday because State has an excellent team, and expect the Blue Devils to respond to Wade's treatment and be a little better than the Vals. Also, we'll stick to North Carolina in their engagement at Marion. Knowing nothing about Georgetown, we'll pick Wake Forest to repeat what happened at the college. Since our opinion at State is running high, the Wake track looks better than Clemson. A recent State report has Short McWilliams back from West Point plus four other ball carriers. Spook Murphy and Harper Davis, who should have the LSU Bengals that Atlanta is not the only power house in the Southeastern, but the Tigers are another hard conscientious team. Frank Thomas' loss from Tusculum a haven't lived up, so far, to what has been expected of them, but look too strong for South Carolina. So much for the crystal ball.

RAIN spoiled what could have been Hazelwood's clean sweep of Industrial League baseball honors when it rained their playoff game with Beacon last Sunday. They started chicken in the first inning, then had to postpone the tilt to satisfy the weather man. There need be no tears about what happened at Beacon Wednesday for Hazelwood has done well enough this year to let all their opponents know which is the classiest outfit in the W. N. C. cup. Now we hear that Bud Blalock has received an offer from a pro outfit down in the eastern part of the state for his services next season. Bud loves the game and you couldn't blame him for stepping up in the higher brackets, but without him Hazelwood would be minus a fine pitcher and excellent hitter, as well as manager who has pulled a lot of smart baseball out of his sleeve.

WINNER of last week's prize for the choicest gift to the Waynesville-Brevard game score was Mrs. C. R. Eckhoff, who guessed 42-0. She took the prize offered by the Carolina 5 and 10c Store, a handsome perculator. Of the near 60 guesses turned in, most guessers stayed in the lower numbers and many expected Brevard to make at least one touchdown. Incidentally, tickets to the Canton game here October 11th already are on sale at the American Fruit Stand, Belk-Hudson, and in Hazelwood at McKay's Pharmacy.

Beacon Wins 6 to 4 Wed. In Game At Swannanoa Post-Season Playoff Ends Baseball Season For Industrial League Haywood Pastors

A bad fourth inning for Hazelwood, with Beacon scoring four runs on one hit and a succession of errors, gave the Swannanoa team enough lead to win the Industrial League playoff final game 6-4 Wednesday afternoon on the Beacon field.

Bud Blalock pitched with J. D. "Duce" Hudson on the mound, with the Hazelwood hurler allowing six hits to seven collected off Hudson. But the big champion found the ball difficult to handle on Beacon's chest-cropped grassy infield, and six errors gave the blunderers. Third ranking team in the league, the after-season playoff crown.

Walton, Beacon's centerfielder, led off in the first inning when Vallanourt singled. When Hazelwood came to the plate in the second, Blalock doubled to right field, and Jack Smith dropped another safely in the same direction to bring him home and tie the score at 1-1.

In the fourth, Beacon's third baseman, Ferguson, singled to the left pasture. Vallanourt sacrificed, Thompson was walked, and both runners advanced on a wild pitch. Stewart was given a free trip to first, leading the bases. Then Nichols drove a hot one through Dudley to score Ferguson and Thompson. Another grounder by Martin went to Dudley, and the Hazelwood shortstop to-rod wild to first, letting Stewart and Nichols score.

Sam Lane came up in the sixth frame, took a walk to first, stole second, advanced on Gordon Wyatt's single, and stole home. Gordon took third as Beacon played for luck and scored on a wild pitch, tightening the score to 3 and 5. But when Beacon came to bat Stewart singled and came home on another safety by Nichols.

J. C. Burrell made Hazelwood's last score in the seventh, doubling to deep left, getting to third on Gordon Wyatt's grounder and scoring on a wild pitch. But the champs couldn't bring enough power to overcome Beacon's lead, so dumped the final game they'll play this year.

12 Bear And Boar Hunts To Be Held This Fall

Hunts Announced For Santeetlah Area In Nantahala National Forest

The first of a series of 12 bear and boar hunts in the Santeetlah area of the Nantahala National Forest in Graham county will be on Oct. 21-22.

Applications to enter the hunt will be made in writing to Victor Denton, agent, N. C. Division of Game and Inland Fisheries, Asheville, prior to the deadline of Oct. 10. A public drawing from among applications will be held in the Asheville Chamber of Commerce office.

Rules announced for the two-day hunts, which will continue until December 10th, specify that each person participating may kill one bear and one boar. No other game may be hunted. Only persons who have trained bear dogs or can borrow such animals will be allowed to enter the hunt.

A successful applicant will be permitted to invite not more than 24 persons to accompany him in his hunt. All persons, however, must possess a valid North Carolina hunting license. No more than eight dogs may be used.

All firearms except rifles using rim-fire cartridges, shotguns smaller than 16 gauge, and side arms may be used. Shotgun ammunition will be limited to the solid-load type. Each application must be accompanied by \$50, which will be returned if he is not a winner in the drawing on Oct. 15th.

Catamounts Open Hoop Slate With Waynesville Stars, Band On Program

The Cats of Western Carolina will hold their first home game since '42 when they meet Tusculum of Greeneville, Tenn., at Cullowhee Saturday night at 8 o'clock.

Having tied the powerful High Point college team and dropped a decision last week to Carson-Newman, Coach Ted Young's newly formed edition of the Catamounts are showing promise of giving W. C. its best gridiron combination in years. Extra seats have been secured from Canton high school to seat the expected 5,000 fans, largest in the school history.

The Waynesville Township high school band, under Director Charles Isley, will march on the field before and at half-time during the game. Several former Mountaineer stars will see action Saturday night. Stanley Henry, 170-pound quarterback who earned a spot on the all-state prep eleven of 1941, will be in at tailback, and Oliver Yount, his running mate at Waynesville, will be in a wing-back.

Jack Arrington, fullback, has been out due to injuries, but should be ready in a couple of weeks. Hugh Constance, Barron Clark, Howard Collins, Jack Allison, James Fie, and Elmer Harris are other Waynesville players who have led Coach Young to expect a lot of good football from this year's squad. Constance has been selected alternate to Co-captains Clark Pennell, Lenoir; and Ray Harris, 200-pound halfback from Marion.

From where I sit... by Joe Marsh

Going Fishing? Here's How!

To hear Willie Wells and Basil Strube arguing about trout fishing, you'd think it was more important than the atom bomb.

Willie favors dry flies, Basil pooh-poohs anything but wet flies. Willie swears by a Royal Coachman; Basil won't hear of anything but a Silver Doctor. And by the time it comes to steel rods versus bamboo rods... #1X&#!?!

But on Saturday, each got back from Seward's creek with a catch that couldn't have differed by more than several ounces!

Each had used his favorite kind of fly, his favorite rod and his favorite place to cast. So over a friendly glass of beer, they allowed as how maybe they were both right... which is how so many arguments should end.

From where I sit, if we all respected one another's different opinions—whether about trout flies, or drinking beer, or voting, life would be a whole lot pleasanter.
