War Information fame, has a con working with United Press in Raleigh. The circulation of the Progressive Farmer is now over 1,000,000 as of the October issue. Advertising has become so heavy that Advertising Man John Gordon has been forced to sell his handsome Raleigh residence and move to New York. \$1,000,000 is now being distributed to hospitals, by the State, on the basis of the number of unable-to-pay folks (indigent) cared for, etc. Reports are that Yakin GOP's and Demo's may get together and send Democratic Grover Williams to the Legislature on November 5. This would rival the "man bites dog" in the matter of making news. That's all, brother.
