

It's all part of a carefully thought out plan!

His parents want him to love music . . . to find in it the beauty and strength that others have discovered . . . to make it an enrichment of his life.

And this banging on the keys is the first step. Already he loves the sounds his tiny fingers can command.

Thoughtful parents! But there are richer blessings in life than music. There are *spiritual* chords that touch the depths of the human soul, and call forth the noblest that is in man. And these, too, must be discovered in childhood!

The simple religious truths that a youngster learns in Sunday School are the keys that turn life's discord into harmony. Wise parents begin with the Church in planning their children's lives—and their own lives also.

**THE CHURCH FOR ALL . . .
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend and support the church of his choice. They are: (1) For his own sake of his children's sake. (2) For the sake of his community and nation. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church on Sunday.
