Maple Grove News Mrs. Ed Glavich

The October meeting of the Woman's Society of Christian Service was held at the home of Mrs. J. T. Noland.

After the regular worship service the program for the week of Prayer and Self Denial was given. The recipients of the offerings were named and the needs given.

Mrs. S. L. Queen presided at the business meeting during which she told of the improvements made at the Dellwood parsonage which included the construction of a back porch, some inside painting, a new bedroom suite of furniture and some other badly needed repairs.

Announcement was made of the fall mission study, India on the Threshold, to be held at the home of Mrs. Ed Glavich on Nov. 29.

Mr. and Mrs. Hardy Limer left Saturday for Clearwater, Fla., where they are planning to spend the winter with their son and daughter-in-law.

Ned Glavich, who is attending Davidson college, spent the weekend recently with his parents, Mr. and Mrs. Edward Glavich.

Miss Elizabeth Ann Glavich left on November 11 for Cumberland, Md., after spending a ten-day vacation with her parents on the Dellwood road. Miss Glavich held a position as laboratory and x-ray technician at Baltimore Hospital before accepting work in Cumberland.

A fellowship supper for the people of Maple Grove church and other churches on the Dellwood charge will be held at Maggie on November 21.

The residents of the Maple Grove community are justly proud of the new road which has been under construction since early summer but are greatly relieved that most of the dust and noise of machinery is over.

STRANGE VISITOR: LEWISTOWN, Idaho—An absent-minded intruder entered the home of Mrs. Gena Asker. Instead of taking anything, whoever it was left an expensive watch and four silver dollars on the table.

GRANDMA KEEPS STEP: MOUNT VERNON, Ill.—When asked why she wanted to take an airplane ride, Mrs. Hattie Klar, 91 year old grandmother, declared, "I wasn't going to be outdone by these younger kids."

Winchester, had the new experience of having her house moved without disturbing a single piece of furniture. Her house was in the direct center of the new road bed.
