For the occasion the church was decorated in white chrysanthemums and ivy entwined candelabra. The candles were lighted by Carlton and Franklin Gregory, brothers of the bridegroom.

Prior to the marriage a program of wedding music was presented by Mrs. J. E. Land, organist, and Mrs. Harold Lawson and William West, vocalists, who sang: "The Bells of St. Mary's," "The Sweetest Story Ever Told," and at the close of the prayer sang, "Seal Us O Holy Spirit." During the ceremony Mrs. Land softly rendered "To a Wild Rose." The traditional wedding marches were used for the professional and the recessional.

BONDS IN MAIL

WASHINGTON—(AP)—After weeks of delay, the Army has started mailing out millions of terminal leave bonds to former GIs.

By Christmas, War department officials said today, it is expected that the bulk of a current backlog of some four million claims will have been paid. Most payments are in five-year Treasury bonds but cash is used for odd sums.

The Army's delay in mailing bonds since the first applications were received in September was laid to a shortage of envelopes, now ended.

The Navy's disbursing office at Great Lakes, Ill., has been paying Navy veterans right along, and has settled more than 500,000 claims.
