Animal Side Show

Things have not been going according to plan in the animal world this year, either. Witness these freaks of 1947:

FOUR LEGGED CHICKEN of Brooklyn also has a twin tail and double egg laying apparatus.

TAILLESS TABBY of Wilkesboro, N. C., with hindfeet resembling a rabbit's, was disowned by its mother.

TWO HEADED KITTEN has four eyes, two mouths but only two ears. It was born in New York.

"TWO LEGGED" PIG of Topeka, Kas., could not walk normally when her rear legs swelled. She devised this technique of walking.

SOLDIER GETS SHOT IN LINE OF DUTY

FORT GEORGE G. MEADE, Md. (AP) — When it comes to being shot at in the line of peacetime duty, officers at this Army post believe T-5 Raymond Sanders is the man who knows most about it.

The other day, a routine day too, Sanders was under fire of 20 machine guns blasting away with

2,400 rounds of ammunition.

Sanders drives an especially prepared tank which serves as the moving target in target practice. He does it almost every day.

"I'm not yet used to that feeling of being under a tin roof in a hail storm," says Sanders.

More than 2,000,000 tons of sulfur are produced in the United States annually.

HUGHES PROBE RECESSED UNTIL NOV. 17

WASHINGTON — (AP) — The Senate investigation of Howard Hughes' warplane contracts was recessed Monday for three months because Johnny Meyer, Hughes' party-giving helper, could not be found. Chairman Homer Ferguson (R., Mich.) of the senate war investigating sub-committee, announced that the inquiry would be resumed Nov. 17, and that Hughes would be the first witness.

ODUM SETS NEW WORLD FLIGHT RECORD

CHICAGO — (AP) — Plans were being made for a downtown parade in Chicago for Bill Odum, who winged the A-26 "Bumbshell" around the world in 73 hours, five minutes and 11 seconds — fastest solo flight on record.

Odum, meanwhile, was catching up on lost sleep Monday after fulfilling his boyhood dream by buzzing in at Douglas airport at 1:58:40 (CDT) Sunday, ending officially the flight begun last Thursday at 12:53:29 p.m.

AMERICAN MINISTERS MEET IN BRAZIL FRIDAY

NEW YORK — (AP) — Foreign ministers of 20 of the 21 American republics will meet in a luxurious hotel near Petropolis, Brazil — 40

miles west of Rio de Janeiro — to determine whether hemispheric solidarity is to continue only as a pious resolution or become a practical reality. Nicaragua has not been invited.

The primary purpose of the conference is to put into permanent treaty form the wartime agreement called the "Act of Chapultepec."

Nearly one-third of American farms raise cotton.

SLEEPER HAS 2-STORY FALL

ALBANY, N. Y. (AP) — Walter Hulsapple, 25, was found unconscious, in pajamas, on the sidewalk near his home and police said he apparently had rolled out of the bed while sleeping in a second-story room.

The bed was higher than the window sill, police said.

Hulsapple was hospitalized with fractured ribs and bruises. Attaches said his condition was satisfactory.

SIT DOWN WHILE YOU IRON!

No longer is ironing day one to be dreaded. You don't have to finish your family ironing with feet that hurt—a back that aches, and nerves frayed. You can now iron in comfort — you can actually sit down while you do it with a modern electric ironer.

And ironing this modern, easier way is not at all difficult to learn — in fact there is not much to learn. One simple demonstration by your electrical dealer and you will have no trouble at all. You will be amazed at the ease of clothes, bedding and curtains when ironed electrically. You will be surprised at the speed with which you can do the job that used to take hours — and wear you out, too.

Do as more and more smart home makers are doing. See your electrical dealer about that new electric ironer today. You'll be glad you did.
