INDUSTRIAL league managers were to meet tonight to complete details for the post-season playoff. An attempt is being made again to back field for the four games... Hazelwood and the team will tangle, and Beacon plays Green (place vs. third place) in the other first round game we aren't sure of, since both Sayles and playing Green River for third place; thus any necessary to decide fourth unless there is a tie beforehand.

AL of the Mountaineers saw Sylva play last week and feel pretty confident they can win the golden Hurricane without difficulty. It'll be an confidence to win, however, and the fact is that at Sylva is something to consider remember the second Murphy game last year? of steady blocking, and remaking touchers lost by penalty, to win that one.

OUNTAINEERS have a good team, as those who practice recently will say, although it lacks exciting plays and reserve strength possessed the record we say they'll beat Sylva 25 to 6, work hard to do it.

AME, incidentally, will be the first ever of Asheville to be broadcast. As you probation WHCC will carry the play-by-play over the air at 7:25 p. m. tonight. All of Waynesville games will be carried. The back of a truck the broadcasting booth, we understand... Miller at Elizabethton was announced over the air.

FORD, whose operation kept him from entering this semester, plans to go down for the weekend and thinks Leonard Messer will go with him. For a few days at the start of football practice, without someone to pal around with so re-

Several Haywood Men To Play For Western Carolina In Opener

The North State conference football campaign will get underway Saturday night when Tom Young's Western Carolina Catamounts tangle with the High Point Panthers in Memorial Stadium, Asheville.

Coach Ralph James has been following up last week's tussle with the Duke Junior varsity by concentrating on the Purple Panther passing attack, convinced that victory Saturday lies over the air route.

Doped as the underdogs, the Catamounts are in prime condition to upset the bucket. Several Haywood county men will see action in the opening game.

From Waynesville are Hugh Constance, Harry Jaynes and Jack Allison and Canton's Gene Grogan, all conference end, and Frank Hardin who are expected to take the field for Western Carolina.

The game will start at 8 o'clock.

Black Bears Will Engage Warren Wilson Saturday In '47 Football Opener

Saturday night the Canton high school eleven will inaugurate their delayed season, meeting Warren Wilson junior college in the Black Bear stadium at 8 o'clock.

Coach C. C. Poindexter has been working out his squad for more than a month, with prospects for a strong team built around a fast, experienced backfield. His forward wall lost heavily by graduation, but had three of last year's first stringers to form a nucleus for the current campaign.

Included in their ten wins, three loss record of 1946 was a 25-0 victory over Warren Wilson. With Canton expected to be as strong as last year, or better, odds will be in favor of the Bears again.

Ball carrying from Poindexter's single-wing formation will be in the capable hands of Clyde Miller, triple threat halfback, Ernest "Buddy" Ivester, blocking back; Ted Stiles, fullback, and Jimmy Howard, a combination wingback and end. "Butch" Smathers and Kenneth Mackey head the reserves who are expected to see action.
