## Quick Dinners For Two People With Little Preparation Time

**PORK CHOPS** . . . With pineapple and sweet potato slices.

By CHARLOTTE ADAMS

Associated Press Food Editor

When you want to prepare a quick dinner for two people your main concern is the main course. If you want soup you can make an excellent one from a can, or from combining two cans of different varieties. Here are some suggestions for dinner-for-two entrees which require very little preparation time.

### Pork Chops

- 2 thick pork chops
  - 2 tablespoons butter or vitaminized margarine
  - 1 large sweet potato
  - 2 large slices pineapple
  - 6 large prunes (optional)
  - 1 cup pineapple juice
- Brown pork chops in butter or margarine. Sprinkle with salt. Peel sweet potato cut in half and place a half over each chop. Remove pits from prunes and add them and pineapple slices to meat. Pour pineapple juice over all. Cover and simmer 35-40 minutes.

Canned goods and quick-frozen foods are your best friends when you're a quick-cooker-for-two. Here are some suggestions for entrees involving canned goods.

### Mushroom Surprise

- 1 4-ounce can sliced mushrooms
  - 1 8-ounce can peas
  - Milk
  - 2 tablespoons butter or margarine
  - 3 tablespoons flour
  - 2 tablespoons pimiento strips
  - 1/4 teaspoon salt
  - Few grains cayenne
- Drain the liquid from mushrooms and peas and combine it with enough milk to make 1 1/2 cups liquid. Cook the mushrooms in butter until lightly browned. Blend in flour. Add liquid. Cook until thickened, stirring constantly. Add peas, pimiento, salt and cayenne. Heat and serve on toast points.

### Corned Beef and Asparagus

- 1 12-ounce can corned beef
  - 1 teaspoon prepared horseradish
  - 1 pound can asparagus tips
  - 1 8-ounce can tomato sauce
  - 2 tablespoons grated cheese
- Cut two 1/2 inch slices of corned beef. Arrange in a shallow well-greased baking pan and spread with horseradish. Arrange four asparagus tips lengthwise on each beef slice. Cover with 1/2 of the can of tomato sauce, allowing the ends of the asparagus to show. Sprinkle with cheese and bake in a moderately hot oven 400 degrees about 20 minutes.
- Note: The remaining meat can be used for sandwiches and the remaining asparagus in a salad for the next day's lunch. The remaining tomato sauce will be ready for use in a casserole dish the following evening.

### GUILTY ON ALL COUNTS

HARRISBURG, Pa. (UP)—Conviction of Jackson Allen Clowe on an involuntary manslaughter charge came in a hurry after the jury was told that when Clowe crashed his truck into a front-yard playpen and killed 11-month-old Vincent Wallace, he (1) had no operator's license (2) drove under the influence of liquor, (3) carried firearms, and (4) was driving in the wrong direction on a one-way street.

- potatoes. Bake until brown.
- Stuffed Baked Potatoes  
Temp. 400 Time 10 min.
- 6 baked potatoes
- 2 cups butter
- 4 tsp. hot milk
- Salt & Pepper

- 1. Bake the potatoes and after baking slice off the tops lengthwise, remove potato pulp with a spoon.
- 2. Add butter, hot milk salt and pepper, beat until fluffy.
- 3. Pile into potato shells, sprinkle with cheese and parsley, or paprika.
- 4. Bake and serve hot.

### Corn Pudding

- Temp. 325 Time 1 hr.
  - 2 cups corn (cream style)
  - 2 cups milk
  - 3 eggs
  - 1 tsp. minced onion
  - 2 tsp. sugar
  - 1/4 cup minced green pepper
  - 1 minced pimiento
  - 1 tsp. salt
1. Beat eggs slightly, add the milk, sugar and salt.
2. Combine corn with the other ingredients.
3. Add to the milk mixture. Mix well. Turn into a buttered casserole and bake.

## Cities Are Hard Hit By Inflation

### Relief Rolls, Public Hospitals Feel Pinch Of Higher Food Costs

By ALFRED LEECH

United Press Staff Correspondent

CHICAGO (UP)—City governments have as tough a time with inflation as the individual wage earner, according to the Municipal Finance Officers Association.

Chicago, with 100,000 persons on relief rolls, has a hard time paying the cost of groceries for them, Chicago's plight is an example of the situation facing other cities, the association said.

Hardest hit among municipal and public institutions are hospitals, which must feed patients on diets which make no compromise with inflation.

In Dallas, Tex., food cost for three city-county hospitals, two city jails and a school for juvenile delinquents have almost doubled in three years, the association re-

ported, rising from \$83,497 in 1944 to \$134,669 in 1947.

Philadelphia's General Hospital meanwhile, requested \$223,000 emergency funds for food to supplement the \$470,000 granted it this year. Some county prisons in Philadelphia have been serving meatless meals three days a week since September.

In Newark, N. J., emergency resolutions providing \$559,000 have been approved to help cover price increases affecting the operation of municipal services. Almost all city departments were involved.

Other cities facing similar problems include Birmingham, Ala.; Boston, Minneapolis, Richmond and many others.

St. Louis has found it necessary to discharge 700 city employees and cut garbage collections from three times weekly to twice. Street lights are turned off an hour earlier.

A "humming highway" which hums a warning to motorists when they drive over onto the wrong side of the road is the latest development in safety devices.

The American Public Works Association reports that the device has been installed experimentally on a state route in Passaic County, N. J. It consists of a 24-inch wide white concrete separator with scored surfaces lying flat between

driving lanes.

When the tires of an automobile contact the strip, they emit a loud, complaining hum clearly audible above the noise of the car's motor.

Officials are trying to solve the smoke-control problem before winter sets in and the question becomes acute.

The American Public Works Association reports that Pittsburgh has instituted a "smoke" law to curb the "take-it-aggressive" action to curb soot and smoke.

Other cities, Chicago, Detroit, Akron, St. Paul and Salt Lake City.

Pittsburgh's campaign is aimed particularly at residences. A legal action in the form of an ordinance, provided Pittsburgh fuel dealers, from delivering smoke-producing fuel to places not equipped with smoke-eliminating devices.

Akron has passed an ordinance regulating soot, dust and poisonous fumes. It also provides for inspection and licensing of all fuel-burning equipment. Violators may be fined up to \$100 for each day's offense.

In Chicago, smoke inspectors are working with stoker manufacturers on a new method of preventing discharges of soot when "firing up" early in the morning.

## Garden For Each Family Campaign Is Started

ATLANTA—(AP)—A national campaign was started here for 20,000,000 home and community gardens in 1948, almost one for every family in the nation.

The special purpose is to take the pressure off American food demands so that more can be sent to starving Europeans. Moreover, said Paul Stark, director of the drive for the Department of Agriculture, "home and community gardens have the effect of providing more and better foods for our own people."

Garden club officials, farm leaders and extension service workers from eight states set the nationwide campaign into motion at the first of a series of regional conferences. They pledged full support for the states of Kentucky, Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama and Tennessee.

### LONG SERVICE ENDED

CHELSEA, Mass.—(UP)—When Patrolman John S. O'Neill, 65, retired from the Chelsea police force after 35 years, he ended 103 years service by the O'Neill family. His father served 26 years with the department and a brother, William, was on the force for 42 years.
