Reveler On Right Street But In Wrong House
BARTLESVILLE, Okla. (UP)—A Bartlesville man awoke, walked into his front room en route to the doorstep for his morning paper and found a stranger on the floor in front of the fireplace, sound asleep.
The man obligingly took a blanket from his bed, laid it over the stranger and read his paper.
When the man awoke, he rubbed his eyes and said:
"Ow-w-w! I feel awful! Where am I?"
"You're not at home," his host replied.
The dazed intruder found he lived two doors away.
"I'll never touch it again," he told his neighbor.
