Left, charcoal gray woolen 20-anywhere dress with high notched neckline, three-quarter sleeves; center, two-tone gray crepe, in a dressier mood; right, beautifully cut smoke gray sheer wool, with brown satin tie at the slit neckline.

By DOROTHY ROE, Associated Press Fashion Editor. The little black dress, classic of well-dressed women the world over, is taking second place this fall to the good gray dress. Gray is the high fashion color of the season, ranging in tone from deep charcoal through elephant, smoke and caviar gray to delicate pearl gray tints.
