COULD YOUR WIDOW If an emergency requiring

Immediate cash should arise today you would arrange

to meet it. You, with a regular income, could go to the bank and borrow money; you could borrow on your life insurance; or you may have a little fund set aside for just that purpose.

But suppose you were not here. Would your widow be able to meet such emergencies? She would if you arrange now for a Jefferson Standard Emergency Fund to be used for expenses she doesn't expect. Without cost, we shall be glad to give you complete details today.
