Sentinels of Health Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good heath is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, paristent headache, attacks of dizziness, getting up nights, swelling, puffiness

getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all

worn out.

Frequent, scenty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys waste. nursite medicine to neip the sidneys rid of stocess possed; to body waste. Door's Pills. They have had more a forty years of public approval. Are orsed, the country over. Insist on is's. Sold at all drug stores.

Charlie Womack, Waynes, tackle case in the circle but when the field lights will tailback, on a spinner broke brought him down were turned out, the members turned on small lights and a full moon came out with the song "Carolina Moon". The fans were treated to a delightful half-time by the two bands. There was only one mishap to

mar the first game of 1948 between these two teams. One of our visitors from Canton was injured in a fall just prior to game time and suffered a broken leg.

It has been brought to our attention, two incorrect scores in the series between the Mountaineers and Bears. In 1926, we had the score as Weynesville 27 Canton 0 and it should have read Waynesville 20 Canton 0. In 1928, Waynesville 12 Canton 0 should have been Waynesville 12 Canton 6. We appretiate these corrections because they came from Coach C. C. Poindexter, who was head coach at Waynesville during those years.
