Stephen Foster Obliges With Song In Jail

TACOMA, Wash. (U.P.)—There was singing in the city jail. Police arrested a man on a drunkenness charge after he had been found tearing up Canadian money and stuffing it down a drain. "Just paper," he insisted. When he was put in a cell he began to sing in a loud voice. He said his name was Stephen Foster. It turned out it was, but he was no relation to the composer.

The grand jury in its report to Judge H. Hoyle Sink last week made but few minor recommendations to the court. The report shows: Bethel school—minor repairs made, otherwise conditions remain as found in February. Ceel school—fair condition. Cruso school—very good condition. Rock Springs school—need new building, present building a hazard. Lake Junaluska school—in good condition, one leak in roof, rest in good order. Crabtree school—good condition. School buses—in general good shape, badly crowded, in great need of more buses and shorter routes. New colored school in Canton—a well constructed building and in fine shape. Waynesville township elementary schools—while a bit crowded they are warm, clean and as comfortable as possible. Teacher loads too heavy in all schools, but cannot be corrected without additional classrooms and teachers. Maggie school—plumbing in need of repair, should insulate steam pipes and furnace. County jail—in good condition, clean and well managed. Canton city jail—in good condition, clean and well kept. Auditor's office—we find records of Charlie Metcalfe in order, and he is doing efficient job. Haywood county hospital—in excellent condition. We recommend the female workers pay be increased to meet the advanced cost of living. County home—clean and good condition. Porch roof leaks, needs repair. Need cafeteria trays to save food. There are 20 inmates, 5 women and 15 men. Mattresses need cleaning or replacing. Four inmates need hospitalization. Need 24 chairs for Sunday School room.
