NO BUGS LEFT AND ALSO NEARLY NO BOY EITHER

MURPHYSBORO, Ill. (UP) — A Murphysboro youngster went "bug hunting" and the hunt ended in violent repercussions. The boy lowered a burning rag

into a sewer to smoke out bugs and insects. The flame set off an accumulation of sewer gas and blew the boy and the sewer lid about eight feet into the air. The boy suffered minor burns and singed hair.

The name Arizona has been included in the titles of 56 different motion pictures.

His final comment was: "Guess there's no bugs in there now."
