#### Lou Costello's Milk Bath Rates **Tops In Movies**

HOLLYWOOD (UP) - As proof hat anything can happen in Hellywood, there is the story of Louinstello's mik bath.

Costello, with his partner Bud Shbott, proviously has been noted is for beauty than for comedalls and hotfoot . After he gets through with the milk bath, he still won't be noted for beauty

For sheer size, the Costello dunking makes the celebrated ablutions of Amia Held and Claudette Colbert look like a sprinkle. Lou bathed in 200.000 gallons of liquid, which is almost enough to float a battleship and thus was able to accommodate Costello.

The bathtub, a good fraction of in acre in extent, was supposed to be the Ubangi River, an important stream ernssed by the Abbott and Custello safari in "Africa Screams, which Nassour, Judios 1, preparung for United Artists releases

Condensed Milk Used The Ubangi River is normally composed of water. Just to be stupendous, Hollywood did it in mit's. Not plain old homogenized.

either for tello durked in exectened. created and mills of a nationality ad vertised variety:

The producers tell us they made the raver out of milk for photocraphic reasons. Milk reflects the light rather than absorbing it. So in the movies it looks more like water than water does.

Any white fluid or soluble powder mixed with water would do the job as well. But it wouldn't be 50 much fun

except that it sours. It's all right It a quick bath, but who ever did tay thing quick in the movies?
