## Capital Letters

(Continued from Page Two)

SUCCESSOR—Gov. Kerr Scott likes to pull surprises, and he may come up with one when he names a man to succeed Graham. Miller George Coble is still in the running, but not so much so as a few weeks ago. Capus Waynick may be drafted for the position. When he became Scott's campaign manager, he said he was not interested in a State job and would not accept one. That's why the word "drafted" is used here. If Scott has not been able to decide on a man by this weekend, Dr. Henry Jordan of Saxapahaw will be called in. A hint was thrown out last Saturday that a man who hasn't been considered at all by outsiders is definitely being considered by the governor.
