CIO Requests Labor Voting At Hazelwood
 CHARLOTTE (AP)—The CIO United Furniture Workers is seeking a labor election at the Unagusta Furniture Company plant in Hazelwood.
 State CIO Director William Smith said the union has filed a petition with the National Labor Relations Board office at Winston-Salem for a vote at the plant, which he termed "one of the largest" of its kind in the State.
 The AFL International Furniture Workers' collective bargaining contract with the company expires soon.
 Smith said about 300 workers recently asked his union to make an organization campaign at Unagusta.
 The union official also said his organization is conducting an intensified organizing drive in State furniture factories.

Barnes Protests Bill
 Guy Barnes, who is connected with the Bernard-Walker warehouses in Asheville, opened the hearing by citing figures tending to show that burley sales in North Carolina had increased materially since the four per cent commission was authorized by the 1941 General Assembly.
 He said that in four years preceding 1941, a total of 32,700,000 pounds of burley were produced and 19,669,000 pounds were sold in North Carolina. In the past four years, Barnes said, production totaled 67,131,000 and sales were 63,170,000 pounds.
 Barnes said commissions and fees on the Asheville, Boone and West Jefferson markets are in line with charges on the Tennessee markets. He argued that "we are entitled to charges commensurate with those on the competing markets."
 He presented petitions opposing the bill which he said were signed by 2,474 tobacco growers including, according to Barnes, "over 400 from Mr. Huskins' home county of Yancey."
 Petition Presented
 It was understood that around 50 names of Haywood County farmers appeared on the petition. Huskins charged that employees of the Asheville tobacco market had made "misleading statements" in urging growers to sign petitions opposing the bill. This was the case when several Haywood County growers signed the petition last Saturday morning under these circumstances. Mr. Byers presented the affidavit signed by several county farmers as evidence of this.
 Rep. Glenn C. Palmer of Haywood County and S. H. Hipps of Asheville also spoke in favor of the bill.
 The Haywood County representatives attending the hearing included: Mark Ferguson, Claude Williams, Horace Bryson, W. G. Byers and C. B. McCrary. The county farm bureau went on record at a recent meeting as unanimously favoring the adoption of the Huskins bill.

Byers Attends Session
 W. G. Byers, representative of the Haywood County Farm Bureau, presented an affidavit which he said was signed by L. C. Messer of Waynesville to the effect that W. R. Murray, an employee of the Asheville market, had "misrepresented" the petition when he asked Messer and other Farm Bureau members to sign it.
 Both sides at the hearing maintained that they were speaking for the "little man."
 Rep. J. Frank Huskins said he represented "the man that raises only six-tenths or seven-tenths of an acre and can't travel 300 miles to appear before a committee."
 J. G. K. McClure of Asheville, president of the Farmers Federation, who opposed the measure, declared that "we represent and we are the little farmer."

 Atlanta detectives claimed that the two women left an Atlanta hotel hurriedly last week "with about 10 suitcases". He added that the suitcases were believed to contain loot from the Knoxville robbery and perhaps other burglaries.
 The two women were not placed under arrest during their five-day stay in Waynesville. They last visited the two men around 3 o'clock Sunday afternoon and then boarded a bus a few hours later heading toward Asheville.

KIDNEYS
 Do you suffer from burning, itching, cloudy passage? Have to get up nights? Do you have back or leg pains? Do you have salt that hangs on? If so, get MEF-TEX. Push, Antiseptic Tablets, which contain a modern miracle drug, used by specialists in kidney troubles. Ten day treatment makes you feel like a new person. Safe for children in bed wetting. Clio this ad as a reminder to get MEF-TEX Tablets at your drug store.

Sentinels of Health
 Don't Neglect Them!
 Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headaches, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.
 Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.
 The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisons—body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
