ADVENTURE.

# 39th Anniversary FEBRUARY 6 TO 12 **BOY SCOUTS OF AMERICA**

In every part of the nation more than 2,200,000 boys and their adult leaders, will observe Boy Scout Week, Feb. 6th to 12th, marking the 39th anniversary of the Boy Scouts of America. The theme of the celebration is "Adventure-that's Scouting!" This year the movement is emphasizing the fun and fellowship its members get out of the game of Scouling. More high adventure is planned in the out-of-doors. Their adventure in citizenship will find Scouts emphasizing civic service activities, emergency service training and world Scouting relationships. During Boy Scout Week, Scouts, their parents and countless communities will honor the volunteer adult leaders of the nation's 70,000 Cub Packs, Scout Troops and Senior Units.
