WHAT IS TRUTH?

It is a tale of Socrates that once he was bathing a young man came to see him and said: "Master, I have traveled a long distance to see you. Will you teach me what is Truth?"

Socrates invited him into the water, then put his head under and held it there until the young man struggled and gasped for breath. When he indignantly demanded to know the reason for such treatment, Socrates replied: "When you want Truth as much as I, I warrant you will find it!"

Here at RICHLAND SUPPLY CO. we like to think that we have had our heads under the water. We are today celebrating our third birthday and during the past three years we have tried hard to tell the truth about the things we sell. The fact that you keep coming to us for your farm and home needs makes us hold our heads high and feel proud that we have told you the truth. It has made us examine each product we carry and ask ourselves if we can truthfully recommend it to our friends. We know that 2,000 pounds make a ton of coal. We know that wild onions are bad for your pastures! We know that too much chlorine is bad for your tobacco! Now that three years have passed we know that RICHLAND SUPPLY has a real meaning.

RICHLAND SUPPLY means truth, dependability, service, it means a fast deal to our customers always! It means the BEST PRODUCE on the market for you at a reasonable price, as our contribution to Better Farming and Better Living.

That's what Truth is!
Cordially yours,
Dave Felmet
