## Side Swing

THE SWING to one side has made itself felt in coats, suits and dresses, and now in lingerie as well. At any rate, this dainty nightgown takes a one-sided slant. It is of powder blue crepe in a sheer weave, garnished with cream Alenon type lace. The lace is worked in points across the top forming one sleeve, the other side held by a shoulder strap. The bodice is fitted, the skirt gathered, and the gown is closed at one side with a zipper.
