Waynesville High School's scholars and musicians last Friday successfully defended their title in the annual Literary and Athletic Field Day competition at Western Carolina Teachers College.

For the second straight year, Waynesville's boys and girls brought home the first place trophy after competing in a field of 1,000 western North Carolina high school students.

Olene Benfield sank 20 free throws in 25 attempts in winning top honors in this event. Gertrude Hall won the broad jump. And Alene Haynie and Nancy Lee Goff teamed up to win the 50-yard relay swim.

In the Music competition, Fred Calhoun, Waynesville tenor, placed first among boys' vocal soloists and helped the Waynesville Boys Quartet, which included Jack Kelly, Donald Matney, and Earl Hoggan, capture top honors in their section.

Marshall Kirkpatrick was named chairman of the Hyder Mountain-Riverside Community Development Program at an organizational meeting Friday night at Crabtree-Iron Duff School.

Mrs. James Kirkpatrick was elected vice-chairman; Mrs. L. O. Ferguson, secretary; the Rev. C. O. Newell, treasurer; and Mrs. B. F. Nesbitt, reporter.

The following committees were appointed: Ways and Means—Millard Ferguson, chairman; Willie Green, G. C. Palmer, Jr., C. M. Massie, and Mrs. Shiber.

Survey—B. F. Nesbitt, chairman; Buck Ferguson, Jodie Masie, Pete Noland, Stella Fisher, Mrs. G. C. Palmer, Jr., Doris McCrary, Mrs. John Ferguson, Wilma Sanford, and Hubert Wells.

Program—Jack Messer, chairman; James Kirkpatrick, Mrs. C. O. Newell, Mrs. John Kirkpatrick, Jennings McCrary, Miss Naomi Massie, and Mrs. H. H. Holt.

Workmen have about completed the widening of the Walnut Street curve, known as Denton's corner. A new curbing, and drain basins, as well as widening the street.

The work will allow water to drain off the area instead of ponding up, it was pointed out.
