

Special Committees Named For Ratcliffe Cove C. D. Program

The appointment of special committees last Thursday night completed the organization work on the Ratcliffe Cove Community Development Program.

The meeting at the Ratcliffe Cove Baptist Church, featuring a well-rounded program, attracted approximately 80 persons, with Community Chairman C. C. Francis presiding.

Mrs. James Medford, the secretary for the program, worked overtime keeping minutes of the busy session which featured discussions by committee chairmen to their respective groups, the showing of two movies on farming.

All was not business, however. There were recitations by Carolyn Ratcliffe and Joyce Anne Turner and the singing of Billy Bishop and Jean Crawford to relax the minds of the spectators.

During the business session Pasture Committee Chairman Hugh Ratcliffe spoke to members of his group and Scrapbook Chairman Mrs. Way Ratcliffe discussed this side of the work with members of her committee.

Boone Swayngim, chairman of the tobacco committee, discussed the tobacco problem with his committee members.

One of the moving pictures, which were operated by Bob Cady and Billy Bishop, was about the Cash Point Community which won top prize in the Community Development Program in Tennessee.

The active session adjourned after the leaders set the next meeting for May 12 at the Elizabeth Chapel Methodist church.

Motorists Fined By Canton Court

Canton Police Court Judge R. R. Mease last Monday fined two motorists \$100 and costs of \$11 each on drunk driving charges.

The drivers also lost their licenses for one year.

During the court sessions the judge ordered six men charged with drunkenness to pay \$11 court costs each.

One motorist charged with driving without a license was fined \$4.30 and had to pay \$10.70 in court costs.

The judge levied a \$10 fine and another \$10 in costs against another motorist charged with speeding.

Thickety Leader Starting Grade A Milk Production

When the people of the Thickety section elected K. O. Carswell chairman of their Community Development Program, they apparently picked a man who practices what he preaches.

One of the major objectives of the county-wide program is the development and expansion of Grade A dairying.

Next Saturday, Mr. Carswell will launch his career in Grade A milk production from his new barn and eventually

Parking Tickets Must Be Paid By May First

Do you have a parking meter ticket you haven't redeemed? Better get it out, and make for the city hall with it before May first.

Chief of Police Orville Noland said Monday that warrants would be issued to all motorists who have not paid their fines by the first of the month.

“Some motorists have had a habit of not paying any attention to the parking meter tick-

ets, but they will soon find out what they mean if settlement is not made by May first,” Chief Noland said.
