## Rayonites Show Power In Win Over Hazelwood

The Hazelwood nine went down to a 16 to eight defeat at the hands of the strong Enka Rayonites Wednesday afternoon in the opening game of the 1949 WNC Industrial League for both teams.

The locals started out like a house on fire as they racked up three markers in the first inning but Rex Randall, Enka hurler, put the fire out.

Ken Troutman led off for Hazelwood with a single over second. Henry popped out but Yount followed with a double, sending Troutman to third. Dudley walked to load the sacks and Bob Pitts ramed a single to right to score Troutman and Yount, with Dudley moving to third. Walters hit to the pitcher and Dudley scored while the play was being made for Hazelwood's third run.

The Rayonites came back to score two in their half of the inning. Nave singled and Williams flied out. Story doubled, sending Nave to third and both men scored on Price's one bagger.

Enka added another in the second on a walk to Gudger, a wild pitch and a single by Nave.

The Enka big guns really roared in the third as they ran eight runners across. Tweed singled, Price flied out but Patton singled and Dick Gudger followed with a double scoring Tweed and sending Patton to third. Owensby walked and Patton scored on a wild pitch. Pitcher Randall was safe on a fielder's choice with Owensby scoring. Nave was also safe on a fielder's choice and Vee Story cleared the sacks with a smashing triple to left field. Story scored the eighth run on a passed ball.

The Rayonites tallied two more in the fourth on a base of balls, a fielder's choice and singles by Nave and Williams.

The locals got back into the scoring column in the fifth when Troutman walked and Henry was safe on an error when his pop ball was dropped. Yount followed with a single scoring Troutman and Henry scored on a grounder by Dudley. Dudley was safe on the play, advanced on a wild pitch and scored when Brackett got a one-bagger over second base.

The Rayonites added two in the fifth. Price singled and Patton was hit by the pitcher. Gudger scored both with a booming triple to left

center field.

Hazelwood notched another in the sixth. Whitner drew a base on balls and advanced on a wild pitch. He scored on Case's scorch through the infield.

Not to be outdone the Rayonites added their last run in the sixth when Story was safe on an error and scored on a one timer by Tweed to centerfield.

The locals added their last run in the final inning. Yount singled and advanced to second and scored on Pitts' single.

Gudger, with two for two, Price, with three for four and Nave, with three for five paced the Enka hitters.

Owiver Yount, with three for four and Bob Pitts, with two for four, were the only Hazelwood men to gather more than one bingle.

Jack Ammons started on the mound for the locals but his usual good control was missing and he was relieved by Jim Kuykendall in the third. The Rayonites continued to pound the ball and Jack Case was called on to take the mound duties in the fourth and he finished the game.

The local fans will have their first chance to see the team in action against loop competition Saturday afternoon when the Ecusta team, managed by Jack Alexander, comes here. The Ecusta team is one of the most colorful teams in the loop and have always furnished top flight competition for the locals.

Manager Dudley wasn't satisfied with the play of the team in the game Wednesday but said that the team was capable of playing much better ball and with better weather conditions Saturday was looking for a well played game.

The game will get underway promptly at 3:30 p.m. and a large crowd is expected to turn out for the opening home game.

## Tryon Golfers Defeat Waynesville High, 9-1

### Local Golf Team Meets Bearcats There Today

The Waynesville High golfers were out to get back into the win column today as they journeyed to Hendersonville to tangle with the Bearcats in a Blue Ridge Conference match.

The local team suffered their first defeat of the season this week when they went down before the strong Tryon team by the score of nine to one.

The Mountaineers and the Bearcats have met once before this year on the links and the Waynesville team came out on the long end of a 12 to nothing score, although they had to fight for every stroke lead.

Coach Carl Ratcliffe was anticipating another hard fought match as the teams met today.

The locals were expected to string along with the same starting team with the exception of Jack Rogers, hard hitting number one man, who has been sick for the past few days and was not expected to make the trip to Hendersonville.

The locals were knocked from the loop lead by the loss to Tryon, but are out to move up the ladder again and to even the count with the Tryon team when they journey here.

## Hazelwood Plays Maryville, Tenn. There Sunday

The Hazelwood Industrial Leaguers, who opened loop play against the Enka Rayonites, Wednesday afternoon, and are scheduled to meet the Ecusta nine here Saturday, will move outside the loop Sunday for a tilt which shapes up as one of the best games of the year.

The locals will journey to Maryville, Tennessee, where they will lock horns with one of the best semi-pro ball teams in Eastern Tennessee, the CIO Steel team, of Maryville.

Last season the two teams played a game for game schedule and each team racked up a victory on their home field. It was generally agreed that the Steelers possessed one of the best teams that the Hazelwood club has faced in the past two seasons and Manager Elmer Dudley stated that he expected to face one of the best teams Sunday that the locals will meet all season.

The Steelers not only use players from the mill, but have several ex-pro players along with several outstanding members of the Maryville college team.

Although the local team has not rounded into the condition that Manager Dudley anticipated, due to the bad weather, he stated this week that he expects to field a well balanced club Sunday and give the Steelers a fight all the way.

The Steelers will return the game here at the Waynesville High field but the date is indefinite at the present.

Asheville School shaded Canton's baseball team 3-1 at Canton yesterday behind Charlie Carpenter's two-hit pitching.

The winners, however, could get only three hits themselves off Alexander and Stiles. Ledford got both of Canton's hits.

Asheville scored twice in the top of the third for all the runs they needed.

Dusty Pollock collected two of Asheville's three hits in a perfect day at the plate.
