Clinics Slated For Pre-School County Children

The clinics for pre-school children throughout Haywood County will continue through next month, Dr. Mary Michal, district health officer, has announced.

The physical checkups in preparation for next fall's classes were held today at the Morning Star and Beaverdam Schools. Dr. Michal explained that these

examinations also are for an enrollment record, which becomes part of the cumulative school record of each child. Dr. Michal urged parents of pre-

school children to have these physical examinations made each Such checkups are urged as a

means of assuring that the child will be ready physically for school enrollment in the fall. The pre-school examination clin-
