Remember: Babies Are the have been Real People

By CYNTHIA LOWRY AP Newsfeatures Writer

With a sharp eye on "Baby Week," it might be a good idea to suggest that infants are future people and, therefore, have certain

Parents, grandparents and admiring friends have a tendency to take advantage of these helpless citizens. They evolve fantastic names for them, which the children subsequently hate but can't do anything about. Oh, sure they can go to court, or they can use Healt of Bal- nicknames. Frequently parents call children by nicknames which dog aid infants through to senility. They take pictures of children

an poses which embarrass them all through life, particularly if the infant grows up to be famous or

And they talk baby-talk to them In the event I were a member of the Committee on Bables' Rights, an organization I'm now toying with establishing, I would have a mandatory rule that babies be given a temporary name. At voting age, the individual would be given a chance to take a long look at his own name and some others he's heard and decide how he could be tagged

for the rest of his life. I would impose harsh punishther. April 26. ment on parents who immediately nickname their first man-child "Butch." It really seems years since I've seen a proud-parent of a boy who wasn't fondly called "Butch."

Little girls should be equally well protected from parents who ock Bradley of give them boys' names. 1 know a nice little girl named Christopher and boy, is she going to be sick mes West of and tired of that one by the time ther April 26. she's of dating age.

A. Whitener of family names, except maybe an Bulletin About I would also make rules against L a daughter, occasional "Junior" if no one called him by that alone. In my own Yards Published family, which runs to fancy names wey Henson of for the girls, we have a grandmother, daughter and grandchild all ful? That is the question asked by named "Priscilla." As far back as John Harris, borticultural specialwill Williams of I can remember there's been "Big ist at State College, in a new bul- idents took enforced vacations last ter, April 27. Pris," "Little Pris," and when the letin just released by the Exten- year due to accidents. In short, one baby comes along it was impossible k Jones of Dell- to call her "Little Pris," so they had to evolve a nickname. And left this week We also have a series of "Johns"

And dwelling house Plant a few shrubs he'll turn blue with sheer fury around the foundation. Remove in farm building and pards, in use when it turns up in a national junk from the yard. Use as few of farm machinery, handling fivemagazine the year he's planning drives and walks as possible and to run for president. The commit- place them only where they will highways. Through county extentee would insist that baby pictures be used. Grade and smooth yard, sion agents and local 4-II Club depict babies garbed for play or haul in topsoil if necessary, and sleep and looking dignified seed to recommended grass. Plant Baby-talk, of course, would be

outlawed. I suppose it really doesn't do much more than make children bored, but it certainly makes idiots of their adorers. Children should grow up admiring their elders, because they will be elders themselves some day. The committee would preserve baby-talk for lap-dogs and kittens who don't understand it, either

In the interests of children's welfare, provisions undoubtedly should hip pockets except when it is necesbe made to protect those adults only grandparents enjoy exclaimwho can take children or leave them alone. That will prevent the formation of an Anti-Children's
