## WBC Defeats Cutsolers In Ten Pin Loop

Only two matches were rolled in the Waynesville Ten Pin League Tuesday night but both had important bearings on the standings. In the top match of the evening, the Waynesville Bowling Center team continued their mastery over the A. C. Lawrence Cutsolers and handed them a two to one defeat. The defeat was the sixth straight of the season at the hands of the WBC team and eliminated the Cutsolers from any possible chance of finishing in first place. In the other match of the evening, the Mountaineers, who seem to have hit their stride in recent weeks, defeated the Independents, three to nothing and moved into fifth place with the Independents dropping into the league cellar. The scheduled match between Ward's Esso and the Dayton Pubber team, which will go a long way toward settling the second half race, was postponed and will be rolled tonight. Besides taking three victories, the Mountaineers turned in the high team series of the evening with a total pin fall of 2720. Again this week the Cutsolers ended in second place with a total of 2692 pins. The Cutsolers captured high single game honors with a 991 pinfall to top the WBC team, which rolled a 959 game. In the race for individual honors, Oliver Yount, of the Cutsolers rolled a 515 set to take high series honors. Charley Minnett, of the WBC squad, was second with a pin fall of 498. In the only 200 game of the evening, Minnett captured high game honors with a 213 total rolled in the first game of the set. In the scheduled match tonight between Ward's and Dayton, the two teams will be fighting it out for the number one spot. Ward's has a one game lead but the Dayton team could move ahead by sweeping the match.

## Cullowhee Comes Here For Tilt With Locals

The Waynesville High Mountaineers will swing back into action here tomorrow afternoon when they meet the strong Cullowhee High diamond crew in what shapes up as one of the best tilts of the year. In their previous meeting this year, the Cullowhee boys grabbed a close win over the locals, which the Mountaineers hope to avenge when they face the visitors tomorrow. Coach Carleton Weatherby, local mentor, has nominated Lefty Jim Kuykendahl to toe the rubber in an effort to even the score with the visitors. The remainder of the lineup is expected to be the same nine that has started most of the games to date.

## Tryon Tigers Top Locals In Golf Match

The Waynesville High golf team suffered its second defeat of the season, both to Tryon High, when the Tigers handed them a nine to two set-back Tuesday afternoon over the Waynesville Country Club course. In the previous meeting of the two schools this year, the Tryon team walked off the fairways with a nine to one win under their belts. In Tuesday's match, the Tigers were hitting the ball straight down the fairways and showing excellent form on the greens as three of their team came through with victories over the local boys. Cliff Green was the only local member to win as he stopped L. McKaig, two to one. In the other matches, Edwards (T) defeated Jack Rogers, three to nothing; Burns (T) defeated Oliver Early, three to nothing and F. McKaig (T) topped Harold Mills, two to nothing. This match was the last one for each school before they entered the first annual Blue Ridge School Boy Golf Tournament which was scheduled to swing into action on the Waynesville Country Club course today. Only four conference schools had golf teams this season, the first year that the conference has sponsored golf, and all four were expected to enter the event. Although all four teams were strong, the Tryon team, which defeated all teams will rule as favorites to cop the first championship trophy. The four teams expected to enter are: Waynesville, Tryon, Brevard and Hendersonville.

## Hazelwood Faces Martel Here Saturday At 3:30

## Jack Ammons To Open On Mound For Local Nine

The Hazelwood Industrial Leaguers will be seeking to break into the win column Saturday afternoon when they tangle with the Martel Mills nine on the Waynesville High diamond at 3:30 o'clock. The local nine has been running through drills this week in an effort to iron out some of the mistakes that popped up during the first two loop games. Although the Hazelwood team has come through with plenty of runs in the first two tilts, the opposition has scored at ease for a total of 41 runs, and two easy wins. Manager Elmer Dudley announced that Jack Ammons, who suffered a foot injury that kept him out of last Saturday's game, will start on the mound against the Martel team. Outfielder Jim Brackett, who was injured in Sunday's game against Maryville when he collided with the Maryville third baseman, may not be able to start and Stan Henry, regular shortstop, is out indefinitely with a broken bone in his foot. One of the bright spots of Saturday's game with Ecusta was the return of Glenn Wyatt to the lineup, after two years layoff. He blasted three hits in three trips and played errorless ball in the field. The Martel Mills nine, managed this year by Bill Pecke, will bring a much improved team here Saturday. They defeated the strong Enka Rayonites Wednesday afternoon and show promise of being one of the most improved teams in the loop. Lefty Paul Israel is expected to oppose Ammons on the mound for the visitors and the game shapes up as a first class tilt.
