few weeks ago from his position as president of the Greater University of North Carolina to become U. S. Senator, is not expected to have a name ready for the Board of Trustees when they meet on May 26. Chances are that the new president will not be chosen until late this summer. Acting Secretary of the Army Gordon Gray says he feels he is not qualified. Comptroller Billy Carmichael says likewise.

The names of former Governor J. C. B. Ehringhaus and L. P. McLendon have been tossed about in the speculating, but since neither is an educator the committee is said to be looking in other directions.

It is just possible that Chapel Hill Chancellor R. B. House, despite his modest disinterest so far, will be drafted for the job.

COMMANDER GODWIN? — R. C. Godwin of New Bern and Raleigh, who since 1939 has been State Veterans Employment Representative to a bigger position than it sounds like, is being boosted for Commander of the State American Legion.

The convention will be held in Raleigh on June 18-22, and the GI bushes are being shaken for support for Godwin, a 30-year Legionnaire and at present a Department Commander.

Consensus among Raleigh veterans seems to be that Godwin, as both veterans employment man and State Commander, would be in a unique position to be of tremendous service to veterans and their families in what is now becoming known as the "leveling-off period."

Scout Court Of Honor Set 16th

A Court of Honor for Boy Scouts in the Pigeon River District, Daniel Boone Council, will be held Monday night, 8 o'clock, at the First Baptist church in Canton.

Frank Lane, Troop 8 Lake Junaluska, will receive the Star rank. Richard Parham, Troop 2 Waynesville, Charles Stamey, Troop 16 Canton, and Charles R. Mills, Troop 1 Canton, will receive the Life rank.

Joe Jack Wells, Troop 12 Bethel, will receive the highest award in Scouting, that of the Silver Palm to the Eagle award.

D. W. Randolph, of Canton, District Chairman of Advancement, will preside over the Court of Honor.

The Pigeon River District Committee will hold its regular monthly business meeting immediately following the Court of Honor. W. S. Prevost, of Hazelwood, District Chairman, will preside.

Three new track records were set during the recent Hialeah meeting. The horses posting the new marks were Mack Swing, Alpha and Coaltown.

door of the Capital one afternoon last week and stood for a half-hour lounging about awaiting passenger. Being chauffeur to a Governor requires patience, and Minges has it.

Finally, one of Scott's friends came by and said, "You waiting for the Governor?" He left here about 40 minutes ago. Said he needed some fresh air and exercise. I saw him hot-footing it down Blount Street like a worn-out team trotting to the barn after a hard day in the field."

With that, Minges smiled, gave an understanding grunt and edged the Packard back around to the Mansion.
