Maytime Luncheons

CREAMY FRENCH DRESSING . . . Tops for salad

By CECILY BROWNSTONE
Associated Press Food Editor

What to serve for springtime luncheons? I find the salad course one of the easiest to pursue. The salad should be made of choice vegetables or fruits—but do see that you have an especially good dressing for it and, if possible, a hot bread accompaniment. Here's a salad dressing that's a little different—delicious with either vegetables or fruit.

CREAMY FRENCH DRESSING

Ingredients: 2 cups salad oil, 1/4 cup unsulphured molasses, 1/2 cup cider vinegar, 3 tablespoons catchup, 1 teaspoon salt, 1 teaspoon paprika, 1/8 teaspoon dry mustard, 2 teaspoons finely grated onion or onion juice, 1/4 egg white (unbeaten), 1 peeled clove garlic.

Method: Put the salad oil, molasses, vinegar, catchup, salt, paprika, mustard, onion, and egg white, in a mixing bowl and beat vigorously with rotary beater until thoroughly blended. Cut garlic clove in two, add to dressing and allow to stand in it; impale garlic on toothpick for easy removal before serving.

For sophisticated dessert choose the Mock Baba Strawberry Ring pictured here. You can serve it without the strawberries if you like—as I have done—and it will be delicious. Too. In the latter case, however, be sure to accompany it with sweetened whipped cream.

MOCK BABA STRAWBERRY RING

Ingredients: 2 eggs (separated), 1/3 cup sugar, 1/3 cup sifted cake flour, few grains salt, 1/4 teaspoon cream of tartar, 1/2 teaspoon vanilla, rum syrup, strawberries, whipped cream.

Method: Beat egg whites stiff; add sugar gradually, beating constantly. Beat yolks until extremely thick; fold into egg whites. Mix and sift flour, salt, and cream of tartar; fold in gradually. Add vanilla. Bake in greased ring mold (9 inches in diameter) or a small size coffee cake pan, in a moderate (350° F.) oven for 25 to 35 minutes. Pour the following rum syrup over the cake.

Mix 1/3 cup sugar and 1/3 cup water together in a saucepan. Stir over low heat until sugar dissolves; simmer about 3 to 5 minutes. Cool slightly. Add 1/2 teaspoon rum flavoring. Fill center of cake with sliced sweetened strawberries and whipped cream. Makes 6 servings.

POSTMAN HOLES UP

MEMPHIS, Tenn. (U.P.)—The wind blows strong in Charles Spangler's neighborhood, so he wasn't surprised to find the postman on the beat keeping warm inside the large postal storage box on the corner. The postman had dumped the mail into a sack on the out side and was sitting in the box.
