### Haywood Folk Festival Set For Canton In July

Scores of mountain musicians and dancers will take part in the second annual Haywood County Folk Festival which opens July 21 at the Canton High School field for a four-day stand.

Joe and Edgar Pressley are handling the arrangements for the Festival which is being sponsored by the Canton Veterans of Foreign Wars Post 5198.

They report that Smilin' Red Raper of Murphy, whose stock of Southern folk songs many people compare to the imposing collection of Burl Ives, has already entered the event.

The track square dancers from

Bent Creek Ranch also will be back to defend the title they won last year.

But many other singers and dancers, from Haywood and other counties are expected to make strong bids for top honors.

Post Commander Glen E. Robinson heads the finance and building committee, and Brownloe Smathers directs the work of the committee on arrangements.

Serving with Mr. Robinson are Paul Baumgardner, Robert Hipps, Wayne L. Platt, Dr. R. C. Rhea, C. R. Hemphill, and G. T. Mauney.

### Junaluska 4-H Club Hears Plans For Summer Camp And Review

By DIANA JONES  
Mountaineer Correspondent

Appropriately for this time of the year, the State 4-H Club camp at White Lake dominated the discussion at the Lake Junaluska 4-H Club meeting Monday. This was the last session of this school year.

Miss Elise DeLozier, assistant county home demonstration agent, discussed the plans for the coming camp season and the Dress Review.

Assistant County Agent Joe Clute discussed methods of raising funds. He said, one way this was being done was by selling lamps, which brought \$10 each. Of this price, he explained, \$3 went

to the camp fund.

Sue Hipps, Club vice-president, took charge of the meeting.

After Scriptures were read, the session adjourned.

### It's A Deal

SYRACUSE, N. Y. (UP)—Republican and Democratic councilmen here made a deal. Francis M. Costello, Democrat, urged the council to buy a tiger for the city's zoo. Albert T. Hollenbeck, Republican, agreed, provided that Costello votes with the Republicans when they decide to buy an elephant.

**TURNABOUT**—It is funny how things work out sometimes.

If Gov. Kerr Scott had not been so quick to pull the State's deposits (about \$100,000,000) out of North Carolina banks, these hometown bankers would now be in a position to buy about half the rural roads which will be issued if the rural roads and schools vote passes.

Furthermore, they would not charge the State as much interest as would sharp-eyed New York bankers. Also, you would as a consequence, find more banker support for the adoption of the bond issues.
