

No More Teachers — No More Books'

Haywood county's 5,500 school children trooped to their classes as usual this morning. But cheerfully. For this was the happiest school day of the year, for pupil and teacher. The smiling teachers passed out the report cards for the year, wished everybody a happy vacation, and said goodbye until next September. Then they opened the doors — and stepped quickly aside. School was out.

Sunstroke and Heat Prostration

Excessive heat accidents take two forms—sunstroke and heat prostration. A sudden, splitting headache is the first warning of sunstroke, after which the victim falls unconscious. The temperature sometimes rises as high as 110 degrees and first aid should be for the purpose of bringing the temperature down. In heat prostration, on the other hand, the victim's temperature drops and he has a chilled, clammy feeling. In either case a doctor should be called at once.

Class Night for the seniors.

The following Sunday, Baccalaureate Services will be held at 8 p.m. The Rev. D. O. Melmus, pastor of the Presbyterian Church of Canton will preach the sermon. Also taking part in the services will be the Rev. L. E. Mabry, pastor of Canton's First Methodist Church; the Rev. C. W. Kirby, pastor of the Central Methodist Church of Canton; and the Rev.
