School Child Hit By Car; Accident Term Unavoidable

Sara Jane Cogdill, 7, a student of Saunook school, was painfully, but not seriously injured in a high-way accident shortly after noon Wednesday, not far from the school. Highway Patrolman O. R. Roberts investigated the accident, said that Ould Ray Jones, 27, of Sylva, was driving a car west, when he saw children on the side of the road. Just as the car passed, Patrolman Roberts said, the little girl turned and ran into the side of the Jones car. Jones rushed the child to the Haywood County Hospital where it was found she was suffering from a broken collar bone, and cuts about the head and face. Patrolman Roberts termed the accident as accidental and no arrests were made.

Prizes Given To Ten Seniors By Reliable Jewelers

Jack Kelly and Dorothy Norris won watches as gifts from the annual graduation awards given by Reliable Jewelers here Wednesday afternoon. Dave Feldman, owner of the store, has made it a practice for years to give ten valuable prizes to high school graduates. "Equa-poise" power!

What is it? Well, for one thing, it includes new triangular engine mounts which blot out noise and vibration. It includes new smoothness, too . . . in both the V-8, the type of engine used in America's most expensive cars, and in the new SIX, the most modern "six" on the road.

of the Ford "Feel"

Take the wheel... try the new Ford "FEEL!"

You notice the new "feel" of Ford's King-Size Brakes, too. "Magic Action" helps them work 35% easier. And you notice the "feel" of safety of Ford's heavy gauge "Lifeguard" Body. In combination with Ford's new 5 cross-member box section frame it's 59% more rigid!

Yes, there's new "feel" in driving these days and only Ford has it! See your Ford Dealer today—take the wheel and try the new Ford "feel"—yourself!
