State Gasoline Taxes Again Top Billion

CHICAGO (U.P.) - Motorists paid more than \$1,300,000,000 in state taxes on gasoline and motor fuel last year, the Federation of Tax Administrators reports.

The federation said net collections from gasoline taxes in 1948 were 11.8 per cent above those of 1947. It was the third straight year that state fuel taxes topped the billion-dollar mark.

The federation said the rise in gas tax collection "has corresponded to the increase in the number of motor vehicles on the highways Automobile registration at the end of 1948, the federation said, had reached an all-time high.

Another factor in the increase, iowever, has been higher tax rates
