

Francis Cove Progress Noted At Meeting

By MRS. WM. HOLLINGSWORTH
Mountaineer Correspondent

Fruits and vegetables, and recreational projects took the spotlight Friday night at the Francis Cove Community Development Program meeting at the Francis Cove church.

Frank Christopher discussed fruits and vegetables, and Assistant County Agent Cathey showed a movie illustrating the handling of the frozen produce.

Recreation Committee Chairman Bill Hollingsworth told the large audience of the progress that has been made in the development of the community's recreational facilities and what will be done in the future.

He also announced that an ice cream supper will be held Saturday at the church to help increase the funds in the community treasury. Singing will be a feature of the event.

Chairman Robert Boone offered a prayer at the opening of the meeting.

Refreshments were served by Mrs. Gilbert Inman, chairman of the refreshments committee; Jackie McCracken, Mrs. Bonnie Shurfield, and Mrs. Alice Boone.

The next regular meeting will be held at 8 p. m. July 29 at the church.

Finchers Chapel Bible School Ends

By MRS. MILLARD FERGUSON
Mountaineer Correspondent

The Finchers Methodist Chapel vacation Bible school closed Sunday after a successful week.

The classes, which opened June 19, had an average attendance of 44 pupils.

Revival Services Enter Second Week

By MRS. MILLARD FERGUSON
Mountaineer Correspondent

Revival services at the Finchers Chapel Methodist church entered their second week today, with the Rev. W. O. Henderson of Buffalo, S. C., in charge.

The series, which started June 19, will continue through Sunday.

In front of them are his youngsters, Boyden, 6, and Burton, 8. (International)

Panther Creek Farm Tour Set For Saturday

By D. L. MESSER
Mountaineer Correspondent

An all-day community excursion will be held Saturday in the Panther Creek to note the progress made in the Community Development Program.

This will be the first of a series which will be held every three months to check improvements which have been made under the program.

Transportation will be furnished to all who want to make the trip.

The tour will start from Weaver Palmer's farm at 8:40 A.M. with the vehicles in the motorcade stopping to pick up residents of the community who want to take part in the program.

The first stop will be at Glenn Fincher's farm at 9 a. m.

Dinner will be served at 12:30 p. m. at Noble Arrington's farm, members of the community refreshments committee.

The afternoon program will feature speeches by some of Waynesville's leading citizens, including J. H. Woody of Waynesville, Community Development Program Chairman R. C. Francis of Rattle Cove, Frank Davis of Iron Duff, chairman of the County Dairy Commission, and Assistant County Agent Turner Cathey.

There will also be a baseball game and other recreational activities.

Signs Ready To Go Up In Allens Creek

By MRS. BLANCHE FRANKLIN
Mountaineer Correspondent

Approximately 50 Allens Creek residents heard committee members announce that the community signs have been made and will be erected this week.

The announcement was made at the Community Development Program meeting at the Allens Creek School, over which Chairman C. L. Allen presided.

Rufus Siler's suggestion that a committee be appointed to visit the sick in the community was adopted unanimously.

Plans also were made for community spokesmen to appear on the Station WHCC program Wednesday night when the story of Allens Creek's work in the Community Development Program will be told.

Mrs. Hiram McCracken was selected to tell the radio audience of the community's improvements in home beautification.

Fred Faemer will discuss church improvement, Elmer Hendrix will talk about progress in improving the school and grounds.

Leave Allen will speak on pastures, dairymen, and alfalfa; Ernest McElford, on the campaign to have the road signs erected and mail boxes labeled; Grady Farmer, on beef cattle and Harry Hembress, on fountains.

Mr. Siler, Fred Farmer, and Kay Allen discussed the work on the community signs at the meeting.

The next session will be held at 7:30 P.M. July 7 at the school.

A limited supply of N. C. 27 and Dixie 17 hybrid corn seed is available in mail seed stores at the State.

Fire Inspectors Will Check Area Early July

Approximately 20 members of the North Carolina Fire Prevention Association on July 6 and 7 will inspect mercantile and other public buildings in Waynesville, Lake Junaluska, Clyde, Canton and other communities for fire hazards.

The inspection, a service rendered by special agents of stock insurance companies, will be held in conjunction with the quarterly meeting of the Stock Fire Insurance Field Club of North Carolina.

The announcement was contained in a letter from Club President W. E. Rushin of Charlotte to Paul Davis, Waynesville insurance man.

The inspectors, working in pairs, will examine theaters, hotels, restaurants, stores, hospitals, schools, and other public buildings—except churches—and make recommendations for the elimination of any fire hazards they find. Mr. Rushin explained.

His letter added: "We will make a brief examination of each town's fire defenses."

14 WTHS Band Members Attending Music Camp

Fourteen members of Waynesville Township High School's band left here last Thursday to attend the Transylvania Music Camp near Brevard.

Through the first week of August, the young musicians will study under leading artists of the nation's largest symphony orchestras and music conservatories, Band Director Charles Isley explained today.

When they are not taking these advanced lessons, they will play with the camp band, which gives concerts every week.

Highlight of the season will be the performance of a piano concert by internationally-renowned Eugene List. He will be accompanied by the student musicians.

Attending the camp are Elizabeth Watkins, Lane Prevost, Katherine Hyatt, Joyce Carter, Betty Noland, Aileen Williams, Robert Massie, Carol Underwood, Mark Rogers, Stanford Massie, Kenneth Underwood, J. D. Stanley and Robert Stretcher.

Radio Program To Feature Thickety

Community Chairman K. O. Carswell and other leaders of Thickety will appear tomorrow night on a radio program at Station WHCC to report the progress made since their Community Development Program was launched.

The 15-minute program, scheduled to start at 7:30 p. m., will be the latest in a series of weekly broadcasts the station is conducting to tell the story of the county-wide program.

Dayton Firemen, Safety Course Graduates Feted

Twenty-three department heads and supervisory foremen of Dayton Rubber Company's Hazelwood plant received industrial safety certificates Friday night at a dinner meeting at the Mount Valley Inn.

At the same time, the dinner honored the 10 members of the Hazelwood plant's fire brigade.

McKenzie, Western Carolina safety supervisor for the State Industrial Commission, presented the certificates, which denoted the recipients had completed the one-week course held last month on industrial safety.

Jackets were presented to the company firemen by Roy Hart, national safety director from the company's Dayton, Ohio, headquarters.

Ned Tucker, head of the personnel department of the Hazelwood plant, presided over the meeting.

Gets Off Lightly
FITCHBURG, Mass. (UP)—When Ernest Sutton lost control of his fire trailer truck, it went off the road, nosed down 40 feet of fence, plumed over an embankment and somersaulted 100 feet downhill. Sutton was treated for a shoulder brace.

Bandit Considerable
CHICAGO (UP)—A bandit entered Mrs. Ethel Becker's dry cleaning shop. He waited obediently while she put her 15-month-old baby to bed. Then he announced, "This is a stickup!" and fled with \$65 from the cash register.

Receives Honor Pvt. Massie Ends Signal Course

Private Charles E. Massie, son of Mrs. Lorena R. Massie of Clyde route 1, graduated last week from a teletype mechanics course at the Army Signal School at Fort Monmouth, N. J.

The soldier, a graduate of Crabtree-Iron Duff High School, spent six months in the study of repairing and maintenance of teletype machines.

Before enlisting four years ago, he worked for the Firestone Steel Company of Wyandotte, Mich.

Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—like itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages may or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisons... body waste.
