

STATE COLLEGE HINTS TO FARM HOMEMAKERS

By RUTH CURRENT
State Home Demonstration Agent
Experiment and research have proven that water should be boiled before vegetables are put in it to cook. Turnip greens, put on to cook in about their own weight of cold water and cooked 30 minutes from time boiling began, held only about a third of their original vitamin C, but those put into boiling water and boiled the same length of time held three-fourths of their C. Likewise asparagus and green beans cooked by these two methods retain more C when started in boiling water.

To save time and do a more accurate job of cutting out a pattern, clothing specialists have found that weights sometimes are better than pins for holding the paper pattern on the fabric. If the fabric is thick pin make it "buckle," so that exact cutting is difficult. When it is necessary to cut through two thicknesses of fabric, the pinning may cause so much buckling that one piece comes out a different size from the other.

Weight. Allow the fabric to lie flat and anchor it against stitching. Small objects of heavy metal like bolts, nuts, small paper weights, short metal bars or even small carpenter's tools may be used for pattern weights. Lay the weights far enough away from the edge of the pattern to allow for easy cutting.

For cutting out medium or light-weight fabric, pins generally are better than weights.

Cover the inside of your clothespins with Scotch tape or adhesive tape and keep those clothespins in a separate bag for your more fragile fabrics. Plastic clothespins are also available now. These are smooth-surfaced and will not catch on delicate materials. If the article of clothing is very fragile, simply hang it over the line.

To make a lemon frosting for the top of an 8-inch sponge cake cream two tablespoons butter or margarine, beat in a cup of confectioners' sugar. Be sure to sieve the sugar if it is at all lumpy. Now add a tablespoon of lemon juice, the juice of half a small lemon is usually enough, and thin with a little cream. Sprinkle with finely chopped nuts after spreading over the top of the cake if desired. This amount of icing will not frost sides.

Matinees To Be Resumed At Strand Friday

The Strand Theater of Waynesville will resume its summer matinee program, effective tomorrow. The box office will open at 2:30 p. m., with the show scheduled to start at 3 p. m., Monday through Friday. There will be only one show during these afternoons. The regular Saturday show schedule will start at 10:30 a. m., the management announced.

Library Notes

County Librarian MARGARET JOHNSTON

In Appreciation
One of the nicest things which has come our way in a long time was a package from Charlotte from Mrs. Cornelia Nixon. It was the "Columbia History of Music," Volume 1, an album of eight records. It gives the history up to the Seventeenth Century. The nicest part was the spirit in which it was given. She says "this is given as a testimonial of the joy and pleasure received while serving as a volunteer in the Library with Miss Johnston and Mrs. Atkins." Mrs. Nixon, for over two years gave of her time and energy and helped in typing the pockets and cards on many of the new books added to our collection. We owe her the thanks and here she is thanking us. We do appreciate it!

At present the following records are in circulation from the Library: Bach—Concerto No. 2 in F Major and Concerto No. 3 in G Major (Brandenburg); Beethoven—Concerto No. 4 in G, Op. 58; Symphony No. 5 in C Minor, Op. 67; Brahms—Symphony No. 2 in D Major; Trio No. 1 in B major; Chopin—Concerto No. 2 in F Minor.

Dennis Day—Johnny Appleseed, from the Walt Disney production "Melody Time"; Debussy—Piano music: Suite Bergamasque, Soiree dans Grenade, Reflets dans l'eau, Children's Corner, La Cathedrale engloutie; Prelude to the Afternoon of a Faun; Festivals, and Clouds; Quartet in G Minor.

Enesco—Roumanian Rhapsodies, Nos. 1 and 2; Evelyn and her magic violin—Oh Promise Me, I Love You Truly; Ave Maria, Home Sweet Home; Songs My Mother Taught Me, The Last Rose of Summer; Deep River, Just A-Wearying For You.

Frank—Symphony in D Minor; Gershwin—Rhapsody in Blue; Grofe—Grand Canyon Suite; Haydn—Symphony No. 99 in E flat Major.

Liszt—Les Preludes (Symphonie Poem No. 3); Mendelssohn—Piano Music; Mozart—Concerto No. 5 in A Major; Tartini Air; Serenade in G Major; Symphony No. 40 in G Minor; Symphony No. 41 in C Major.

Muzio—Claudia Muzio operatic recital; Rachmaninoff—Rhapsody on a theme by Paganini; Ravel—Bolero; Schubert—Symphony No. 8 in B Minor.

Schumann—Symphony No. 3 in E flat Major; Sibelius—Symphony No. 4 in minor.

Strauss—Strauss Waltzes; Tchaikovsky—Nutcracker Suite; Swan Lake (Ballet Suite); Symphony No. 5 in E Minor; Wagner—Siegfried Idyll.

NO GAMBLERS ALLOWED
LOS ANGELES (U. P.)—Slot machine devotees, crapsshooters, horse players and card sharks could benefit from a course in mathematical "probabilities" to be given this summer. Prof. Paul Hoel will teach summer school students at the University of California campus about odds and elements of chance. But he is restricting the course to serious students of mathematics.

ment Program meeting. The people discussed the possibility of having stunt night programs frequently.

Mr. Cathey suggested that each community program should have a committee for the prevention of undesirables.

Speaking on the importance of having a recreational program, he said the young people should be kept happy and occupied in their own community with wholesome forms of entertainment. This, he pointed out, would cancel the chances of their going to undesirable places in their search for something to do.

It was decided that the regular meetings would be held every fourth Thursday night.

Two of the highlights of the program were the solos by little Edna Francis and Mrs. Edgar Burnette.

Safety Tips Given For July Fourth Driving

More than 900,000 motor vehicles are expected to be on the highways of North Carolina sometime during the long Fourth of July week-end, the North Carolina Department of Motor Vehicles estimates.

Pointing out that 10 persons were killed on the highways over the three-day holiday last year and that highway fatalities are on the upgrade this year, the Department offered four suggestions for a safe and sane Fourth:

1. Start that holiday trip a little earlier to avoid temptation to speed.
2. Don't drink and drive.
3. Don't cut in and out of heavy traffic.
4. Exercise caution, common sense and courtesy in driving.

If all drivers will follow these suggestions on the Fourth, they can expect to be alive on the Fifth, the Department stated.

The 1948 output of farm machinery and repair parts was one-fifth larger than the previous record in 1947, and over twice the pre-war volume.

White Oak Box Supper Set For July 6th

By MRS. MELVIN MESSER
Mountaineer Correspondent
A box supper will be held Wednesday night in White Oak Community, starting at 8 P. M.

Special music will feature the event, which will be held in connection with the Community Development Program.

Mrs. Robert Davis, community chairman, will preside.

Everyone, including those who live outside White Oak is invited to attend the supper.

Bragging Doesn't Pay
PARKERSBURG, W. Va. (UP)—One of three men who tried their fishing luck in the forbidden city park lake heaved in his catch and his rod and reel when police approached. But the police didn't need the evidence. With fisherman's pride, one man told the judge he had caught a catfish "that big." The fine totaled \$16.

Burley tobacco production in the State last year totaled 17,304,000 pounds, second only to the 1945 crop.

Washouts Pose Constant Threat Scout Lake Conditions Worry Cecil Residents

GUNMAN BAMBOOZLED

CHICAGO (U. P.)—Bogus tears, turned on when a gunman demanded her money, not only saved Mrs. Josephine Halper a few dollars but earned her another one from the gunman's pocket. Mrs. Halper found the bandit in her kitchen. She began to cry. She told him she was broke and "starving." He lowered his gun, fished a dollar from his pocket, threw it on the kitchen table and ran out the back door.

The conditions about the Boy Scout Camp Lake have a discouraging effect on the Cecil people who live along the banks of the river.

Under the constant threat of their land being washed away, they cannot afford to fence or build up their land.

During the flood of June 16, for instance, three acres of Bartley Brown's pasture land was washed away. Plans had been to get this land in shape for cultivation.

Others suffered damage also to their crops and gardens.

After the flood, there was not a foot-log left across the creek, and only one bridge was still standing.

The residents believe there would have been little damage from the rising water itself. But the logs from the lake dam came drifting and breaking loose again.

The people are hoping that something will be done about the lake to remove this constant threat to their lands.

The general feeling is that the conditions have created a booby trap.

Cecil residents are continuing their work of improving their community and homes in the Community Development Program.

D. A. P. Cline, the community chairman, reports his two turkey hens and the young birds are doing well. He invites everyone to his place above Lake Logan to see the fine job that Mr. and Mrs. Jack Frady are doing there.

Carl Woody has just completed a new cattle barn, and Bartley Brown is replacing the foot log spanning the river to his property with a regular bridge.

Assistant County Agent Turner Cathey, Mrs. Girtle Calhoun, and Carl Singleton will be at the Cecil School grounds every Sunday afternoon to help entertain the young people who come there for recreation and games.

At the end of the year, a champion will be crowned.

These plans were discussed at the recent Community Develop-

Arthur Veith Attends Legion Convention

Arthur Veith of Waynesville represented Haywood American Legion Post 47 at the annual State Legion Convention in Raleigh.

He attended panel discussions and filed on behalf of the Haywood Post a resolution protesting North Carolina Legion endorsement on companion bill to the U. S. House and Senate.

The legislation would provide funds for placing memorial markers in their home town cemeteries to dead veterans buried there.

The Executive Resolution Committee deferred action on the Haywood measure for further consideration.
