### Sentinels of Health

**Don't Neglect Them!**  
Nature designed the kidneys to do a tough job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The art of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backaches, getting up nights, swelling, puffiness under the eyes, feel tired, nervous, all worn out.

Existent, acute or latent passages are sure to show further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisons, to help excrete. Doan's Pills. They have had more than forty years of public approval. Are sold in the country over, based on Doan's, sold at all drug stores.

**"It's not our hat!"**

Southern Railway doesn't pass the hat for your dollars.

Other forms of commercial transportation use highways, airports and waterways that are built and maintained with your tax dollars—and ours.

Railroads are strictly on their own. Every penny they spend to build and maintain their own steel "ways" comes right out of the railroads' pockets.

We're glad we are not in the "hat-passing" class. We prefer to stand on our own financial feet in the old-fashioned American way. And we believe that if there were no hat-passers in the transportation business it would be better for you and for all America.

President

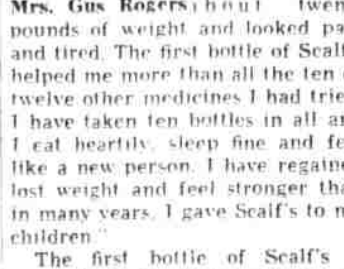

**SOUTHERN RAILWAY SYSTEM**

"He doesn't drink, smoke, gamble, but—he won't 'sew' wash dishes, or scrub the floors."

### Mother Gives Seal's To Her Children

Mrs. Gus Rogers of Weaverville, N. C., who is a splendid Christian mother of four sons and five daughters, writes: "For about four years I suffered dreadfully from spells of gassy stomach pains which were so severe that I couldn't rest or sleep. I felt weak, rundown and often I was so nervous I felt like I could scream. I lost

twenty pounds of weight and looked pale and tired. The first bottle of Seal's helped me more than all the ten or twelve other medicines I had tried. I have taken ten bottles in all and I eat heartily, sleep fine and feel like a new person. I have regained lost weight and feel stronger than in many years. I gave Seal's to my children.

The first bottle of Seal's is guaranteed to bring satisfactory results or your money back. Try it today, on sale at all good drug stores.

Hear Seal's Harmonious Quartet over WWNC, Dial 270 at 9:30 A.M. Mon through Fri.
