

Chairmen For Canton's Labor Day Program Are Set Up For Annual Event

Uncle Abe

(Continued from Page 2)

"What hit takes to make a 4 (Champion) when Mrs. Abe called a pin—

"I've got it figured out, them tracks," she said, "come here."

"How so?" I axed.

"Well, didn't you get up with one of those indiges-chun spells las year, also didn't you think you heard the cows in the corn an' pounce out bare-footed to run 'em out?"

"Yes," sez I; "but now don't tell them's my tracks—sitch track."

"Well, le' go an' try one foot in 'em," she replide.

"Never mind," sez I, "I'm bizz on my mind."

a bookmobile and we are very happy to have it come to us. This is really a treat for it contains from five hundred to eight hundred books from which to choose.

"Miss Johnston, the county librarian, comes sometimes but Bob Russell is the bookmobile librarian and therefore always comes. He is friendly and accommodating and it is a pleasure to do business with him. If we want some book that he does not have on the bookmobile, he will bring it to us. If we want a book that the library does not have Miss Johnston will get it for us. Now please, do not ask me where she gets it. I just know she does."

"The bookmobile usually arrives just as we are leaving the luncheon table, and what a wild rush we make to get to it! If any of us fail to make this wild rush, Miss Phillips sees that we do. But really and truly, we do have fun selecting the books from the bookmobile. There are many very good horse stories and adventure stories, and in fact just any kind of book anyone wants. So you see the bookmobile has added a lot of new things to the Springdale boys' lives."

SMITH'S DRUG STORE

The complete organization for the Canton Labor Day celebration has been completed and C. C. Ponder has been named general chairman.

In addition to those previously announced, the following will also serve in various capacities for the execution of the program.

Guy Trause, local photographer and board inspector for Champion Paper and Fibre company, was elected chairman of the beauty contest.

The Canton Women's club will have charge of the beauty show and the Canton Business and Professional Women's club will have charge of the consolation ball.

Deviations chairman are Marshall Cooper, local Barton Bay street, and R. C. Goetz, business window.

C. C. Nichol will have charge of ground and concert ones, and Howard L. Well will serve as chairman of the model airplane show.

Frank Smathers and Tull Jamison will be co-chairmen of the annual Champion Old Times softball game scheduled Saturday evening before Labor Day.

Bruce Leatherwood, immediate past commander of the Canton VFW post, was elected chairman of the parade feature. A pet show will be sponsored by the Canton Cub Scouts with Harry Matthews in charge.

G. C. Suttles, general secretary of Champion YMCA, has been named chairman of the platform program, and J. M. Deaton was elected master of ceremonies.

Deaton also will handle publicity. Charles Beall has been named chairman of the annual Sunday night religious program at which Bishop George M. Henry will deliver a Labor Day message.

Music by the Canton school band will come under supervision of Maurice T. Brooks with Erwin Troutman, directing.

Tommy Furness, safety supervisor of the Champion Paper and Fibre company, will serve as safety chairman. Traffic will be supervised by Chief of Police W. N. Stroup, and sports programs will be handled by Jack Justice, athletic director for the Champion Y.

Fred Carpenter, manager of Carpenter's string band, will serve as chairman of the square dance and string band program.

W. C. Santord, president of the Champion Y singing convention of the air, will be chairman of the singing convention scheduled for Memorial Park Sunday afternoon.

4-H Members Enjoy Outing At White Lake

This picture was made at White Lake, where a group of Haywood 4-H Club members recently spent a week at the 4-H Club Camp.

Deaths

MRS. LAURA M. MESSER

Mrs. Laura Morrow Messer, 70, wife of A. K. Messer, died at her home in Cove Creek Sunday morning after a short illness.

Funeral services will be held in the Cove Creek Baptist Church Tuesday afternoon at 2:30 o'clock, with the Rev. Eugene Moore of Greenville, Tenn., officiating. Interment will be in the church cemetery.

Serving as pallbearers will be Edgar Morrow, Vanson Morrow, Johnny Morrow, Lee Davis, James Lewis Morrow, and Lawrence Medford.

Mrs. Messer was a native and life-long resident of Haywood County and was an active member of the Cove Creek Baptist Church. Arrangements are under the direction of Garrett Funeral Home.

F. DILLIE BOLDEN

F. Dillie Bolden, 58, of Clyde died early Saturday morning in the Haywood County Hospital following a short illness. He had been an employee of the Champion Paper and Fibre Company for over twenty years.

Funeral services were held this morning in the Church of God at Clyde with the pastor, the Rev. William H. Pless, officiating. Burial was in Crawford Memorial Park here.

Pallbearers were Jarvis Carr, Claude Thompson, Manson Caldwell, Arthur Ford, and Gilmer Carver.

Surviving are the widow, Mrs. Gussie Day Bolden; one daughter, Miss Blanche Bolden of the home; five sons, Hugh, Fred, Earl, Guy, and Ray Bolden, all of Clyde; the father, John Bolden of Clyde; one brother, Hubert Bolden of Asheville; seven sisters, Mrs. Ida Brookshire of Black Mountain, Mrs. Glenn Christopher of Newport News, Mrs. Lloyd Clontz, Mrs. Kurt Varner and Mrs. Elmore Irman, all of Canton, and Mrs. Ralph Miller and Miss Martha Bolden of Clyde; and four grandchildren.

Crawford Funeral Home was in charge.

September 3, from 2 to 4 p.m. General Chairman Ponder will handle a Haywood County Community Development stunt program as a pre-Labor Day feature.

4-H Club Members Had Good Time At White Lake Camp

The 72 4-H Club boys and girls and local leaders will remember for a long time the wonderful time they had at the 4-H Club Camp at White Lake. The 4-H Club Camp is a small democracy in action in which each camper helps to make the camp a success. Each camper is a member of an organized company, organized the first evening at camp. Each group—head, heart, hands and health selects a captain and a local leader adviser assigned. With this type of an organization it is easier to carry out the purpose of a 4-H Club Camp.

Purpose of the 4-H Camp:

1. To recognize the achievements of 4-H Club members.
2. To stimulate more interest in the 4-H Club program.
3. To provide a week of inspiration, information, and wholesome recreation.
4. To broaden the horizon of rural young people, and to give a glimpse of rural life difficult to obtain through regular 4-H Club work.
5. To experience group responsibility, to train and use leadership ability, to explore subject matter such as nature study, handicraft, and music, to meet the necessity for taking responsibility, to meet and learn to get along with other young people of their own age and interest in committee work, program planning and living together.

The 4-H Club Camp has a full day, rising at 6:45, going to flag-raising exercises then for an early morning dip before breakfast. After a good wholesome breakfast it is time to clean up the grounds and cottages. Then for another morning swim before classes. There is a two-hour class period of 30 minutes each, of classes in handicraft, recreation, first aid and manners, and swimming with each group attending each class each day. Then everyone is ready for a big dinner which is from 12:30 to 1:30.

Then each member has an hour free time of his own to rest. A 2-hour athletic period of softball, volley ball, horseshoe pitching, etc., is held in the afternoon before another dip in the lake. Then everyone is ready for a great big dinner which is had at 6:00.

The night program starts with vesper given by 4-H Club members.

Citizens Of Lower Crabtree Enjoy First Inter-Community Field Day

MRS. MILLARD FERGUSON, Mountaineer Correspondent

Lower Crabtree community development group has the distinction of being a leader of at least one thing in the county-wide community development program. We led in the first inter-community field day on Wednesday July 20 with Panther's Creek group as guest. The groups meeting at 9:30 a.m. at the Riverside community center visited the farm of John R. Ferguson, scenic top-spread alfalfa field, on to Rabbit Skin where they saw Willy, Governor's prize corn field.

From there they viewed H. F. Nesbitt's dairy barn at the Bush Fork farms, and inspected his hay loader and dryer.

At Crabtree they saw the alfalfa barn and cows of H. J. Noland and looked over L. O. Ferguson's alfalfa field.

At Bee Branch the home of C. M. Masse was seen with appreciation for home beautification. Looking to advantage the setting of a lovely country home on a well-kept lawn.

Hyder Mountain came in strong for its share of publicity by displaying Kirkpatrick's hybrid corn field, Fred Noland's new dairy barn, and his 275 broilers, which reminded them of eating, and hurried them on to Fincher's Chapel where the tour ended in admiration for the beauty of this county church.

From here they hastened back 200 strong to the Crabtree Iron Dull school house where a picnic lunch with all the trimmings, was in readiness after the Rev. C. O. Newell had given thanks to a gracious Heavenly Father for his bounteous blessings.

After lunch the groups met in the main auditorium where Lower Crabtree chairman, Marshall Kirkpatrick recognized the visitors, County Agent Wayne Corning, Assistant County Agents Turner Cathey, Wayne Franklin, Herb Singletary and Miss Mary Cornwall, home demonstration agent, Charles Isley, David Underwood and others.

Following this the groups engaged in a singing contest in which Crabtree won the group singing and Panther's Creek won the quartet prize. Mr. Isley being the judge.

The outdoor games afforded fun for all, young and old, men and women, boys and girls. All the games were won and luck, first one group winning, then the other going ahead. The final count was Panther's Creek, 191 points, Crabtree 171.

Crabtree Boys won the soft ball game, Panther's girls took the ball. Much fun was had in the needle threading and cracker eating contest while most men decided that

MOUSE GOES ELSEWHERE
RUSSELL, III U. P.—The fire department here got a new kind of alarm, "Mouse on fire." Mrs. William Dudman said a mouse started a blaze in a closet by chewing on patches and then ran across the floor, on fire. The firemen put out the blaze in the closet but never did find the mouse.

The United States produces more than half the world's output of steel.

the woman from both groups were a bit careless in potato peeling to conserve the potato food supply.

And, of course, if the women and men were as active in carpenter's work as they were in nail driving, we would all be living in nice, well built and equipped homes. In fact, all the games were full of fun and enjoyed by everyone, making the day well spent and well worthwhile, leaving everybody looking forward with relish to the next field day.
