Sentinels of Health

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes. Feel tired, nervous, all worn out.

Frequent, scanty or burning passages are believed to be other evidence of kidney or bladder disturbance.

The two-pilled and simple treatment is a doctor's prescription to help the kidneys get rid of excess poisons — body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. At all drug stores.

Cove Creek Folk Set 31st As Home-Coming Date

By Vera Reeves
Mountaineer Correspondent

Sunday, July 31, will be homecoming day for all citizen of Cove Creek, both those living there now and former residents.

The all day celebration will begin at 11 o'clock with services at the Cove Creek Baptist Church "during" at eleven o'clock. The Rev. Dock Russell, pastor, will preach the sermon.

Following the worship hour, the group will enjoy a picnic dinner.

The afternoon program will consist of singing by different groups and brief talks by people who are visiting back home.

The committee in charge extends a cordial invitation to all people in the county to attend the homecoming.

STILL IN THE BUSINESS

AMESBURY, Mass. (AP)—Once a community that called itself "The Carriage Capital of the World," Amesbury still retains a link with the transportation industry. It has entered a patent taking tinted steel window channel for automobiles. Three plants work round the clock to produce the channel.
