You Be On 950 Out-of-State

This morning a large group of Haywood's fine farm and business people left for an interesting out-of-state farm tour, which will carry them into several states, and for a varied program.

Many of you will certainly want to make the 1950 tour-just where it will go we don't knowbut now is the time to start that savings account for the tour next year. A little saved every week will give you the deserved vacation next summer. Start Today.
