**ANIMAL HEALTH GOODS**

There's no need to write away for animal health products. You can get them **RIGHT AWAY** at **SMITH'S DRUG STORE**. We maintain large stocks of dependable quality preparations—the products used extensively by farmers, dairy-men, and livestock men in this area for the health protection of their herds and flocks. By making our store your headquarters for animal health products, you eliminate delay in administering treatment—delay that can cost the lives of valuable animals or seriously reduce production. And you save money, too, because our prices are low prices.
