General view of Mike Kuekrat at Kiddie Golf Clinic at Candlewood Lake, Brookfield, Conn.

Kuekrat goes over the grip of Jay Coles, 8, of White Plains, N. Y., as one of his younger pupils, Nancy Voss, 7, of Brooklyn, seeks to emulate Jay's stance and grip.

Mary Ann Rapp, 12, of Hartsdale, N. Y., lines up a putt. Playing only two years, she heads her class.

Beacon Loses One In National Semi-Pro Event

Beacon Mills' baseball players from Swanton took their first loss in the National Semi-Pro Tournament at Wichita, Kansas, Tuesday night, bowing 6-0, to Coors Brew of Golden, Colo. The Golden boys, runnerup in the 1947 tournament and one of the favorites to take the current event, clinched the contest in the third inning when First Baseman Bruno Knopa slammed a homer with the sacks full. Two errors and a walk had filled the bases with Coors' citizens to set up Knopa's grand slam. The North Carolina delegates still have a chance of winning the title, though one more loss will knock them out. They tangle tomorrow night with the loser of the game between Birmingham, Wash., and Fort Wayne, Ind. Beacon 000 000 000 0-4-4 Coors: 000 011 000 6-0-0 Anders and Snyder, Skoen and Voss.

Hazelwood Closes Season With Games At Sylva And Canton This Week-End

The Hazelwood Industrial nine is scheduled to close out the 1949 schedule with a pair of tilts this week-end. On Sunday afternoon the locals will journey to Sylva where they will tangle with the Plowboys in what shapes up as another top notch tilt between the two teams. The teams have met three times this season with the locals holding a two to one edge as a result of their hard earned seven to six victory here last Saturday which saw the Hazelwood batters break loose in the eighth to rally for four runs to win the game. Monday afternoon the team will play the Canton Pigeons at Canton in the annual Labor Day game which is part of the week long celebration staged at Canton each year. These two Industrial loop teams have staged several thrillers this year and a repeat performance is expected Monday. The game is scheduled to get under way at 3 p.m. Skipper Elmer Dudley would not name a starting hurler for either game but Tom "Bud" Blalock will hurl one of the tilts. Lefty Jim Kaykendall, who has been hurling for the locals, suffered a broken collar bone in football practice and will not see action in the final games.

Special Grouse, Squirrel Hunt To Be Held Next Month In National Forests

Perhaps He Smiled But No One's Sure CHICAGO (UP)—All the children at the party insisted Paul Sowa smiled a little when he looked at his birthday cakes with 14 candles. But they weren't really sure. You can't be sure of what a person with sleeping sickness can see or feel or hear. Paul, who has lived in a daze since January of 1945, sat propped up in his bed with the sideboards. All the neighborhood kids clustered around him. They fussed about how well he looked. He stared at them as though he heard—but no one could be sure. They sang "Happy Birthday" as the cake was brought in. A muscle in his solemn, childish face twitched. Maybe it was a smile. Maybe some day he'll be able to smile and see and feel like the youngsters at his birthday party. The doctors aren't too hopeful, though. Plan have been completed for a special grouse and squirrel hunt to be held in National Forest areas, according to Clyde P. Patton, executive director of the North Carolina Wildlife Resources Commission. Grouse and squirrel hunting will be legal from October 2 through 15 in Pisgah National Game Preserve, and the Shenandoah, Standing Indian, Pines, Creek, and Northfork Wildlife Management areas. Bag limits for the hunts are six squirrel and two grouse per hunter per day. There will be no limit placed on the number of hunters allowed to participate in the hunts, but hunters must be at least 16 years of age, possess a valid State hunting license, and procure a one-dollar special hunting permit. Hunters must check in and out of the areas and only recognized breeds of bird dogs will be allowed in the hunting areas. Hunters are advised to inform themselves of special regulations in the areas open to these hunts. ST. PATRICK NEEDED POTTSVILLE, Wis. (UP)—What the village of Pottsville needs is a modern St. Patrick. Thousands of rattle snakes, driven from their hilly homes by a flood control project, have invaded the town. American railroads, in shipping perishables, use approximately one-third of all ice made in the country. Juneau, Alaska, has an annual average snowfall of 105.7 inches.

Berkeley Defeats Enka In Finals Of Loop Play-Off

The Berkeley Spinners put the finishing touches to a championship season Monday afternoon when they defeated the Enka Rayonites 8 to 2 to capture the 1949 play-off crown. Lefty Clint Morris went the route for the Spinners and limited the Rayonites to seven scattered hits. The only damaging blow was a home run by Rightfielder Tom Tweed. Tommy Selzer sparked the winners at the plate by rapping out a perfect three for three and scored three runs. He also batted in three rallies. Tweed topped the Rayonite sluggers with three bingles in four trips. The Spinners advanced to the finals on a forfeit when the Beacon Mills nine went to the National NRC tournament at Wichita, Kas. The Rayonites had advanced by defeating the Ecusta team Saturday. The victory by the Berkeley team gave them a complete sweep of the loop this year. They had previously won the championship with a record of 18 wins and three losses. The line score: Enka 000 000 101-2 7-4 Berkeley 230 300 000-8 11-2 Trull, Cooper, Williams to Pitch; Morris to Stancel. About 50 bulls now are being used for the test-tube breeding of some 150,000 cows in Illinois, according to the University of Illinois college of agriculture. RATS GET IN THEIR BITES CHICAGO (UP)—Dr. Herman N. Bundesen, president of the board of health, said rats bit 125 persons, mostly babies and children, in Chicago during the first six months of 1949. NO. 2 GOOD HUNCH BET SEATTLE (UP)—On the 22nd day of racing at Longacres, horse number 2 won the first race and horse number 2 won the second race. The daily double payoff was \$22.

Grid Drills Slated For Labor Day

Labor Day means a holiday to everybody else. But for the Waynesville High football squad it will mean work as usual, weather permitting. Coach Carleton Weatherly said today the 65 candidates for the 1949 Mountaineer squad will continue their grid lessons Monday, if conditions are favorable.

Mountaineer Gridders Start Heavy Drills

Heavy work started this week for the 65 candidates for Waynesville High's 1949 football team. And, though the heat and the long summer layoff have been reflected in the opening workouts, Coach Carleton Weatherly said today, the boys are progressing pretty fast and their spirits are good. "They should show up much better in the next ten days," he added. "The practice sessions have been pretty tough for the first of the year, and they've been somewhat slow and sluggish, but we ought to be moving right along in the next ten days." The Mountaineers have 16 more days to get in shape for their opening tilt with Sylva at Sylva. The coaches are depending on last year's jayvees to fill up the holes left by the graduation of six seniors from the powerful 1948 squad. And so far, they've been showing up well in practice. The seniors, including five regulars, are prospective ends: Yarborough, Owen, Jones, McCreaf, Francis and Herbert; tackles: Setzer, Atkinson, Nohel, Terrell, and Mills; guards: McCreaf, McCreaf, Messer, Higgs, Inman and Powers; centers: Tom Boyd, Jerome Boyd, and Evans; quarterbacks: Womack, Jarrett, Fugate, and Carol Swanger; fullbacks: Davis, Sutton, Moss, Jack Miller, brother of Bill of the Chicago Bears and formerly Duke; Jaynes, and Jim Kaykendall; and fullbacks: Dewesse, Whisenhunt, and Terry Swanger. Kaykendall, the Hazelwood and Champion Y Juniors pitcher this summer, is temporarily sidelined with an injury from one of the early practice sessions. But he is expected to rejoin the squad in a few weeks. Carl Katchell and Marshall Teague, the new assistant coach from Beverly, are helping the boys get rid of their summer kinks. Teague is also handling the freshmen.

Champion Y Drops Out Of Regionals

Champion YMCA was knocked out of the southeastern regional softball tournament Tuesday night. The North Carolina representatives dropped a 1-0 decision to Peebles Woolens of Chattanooga, Tenn., in the semi-finals of the event at St. Petersburg, Fla. The only run of the game came in the fourth when Wendell Dunigan beat out a scratch single, then went to second on a sacrifice and to third on an infield out, coming home on a single to center by catcher Johnny Cayce. Buck Miller, Chattanooga ace, pitched a one-hitter and fanned 18 of the Canton boys who faced him. The only safety the Tennessean yielded was a single into right field by catcher Bobby Joe Mease. It was one of the only two Miller outbursts that went out of the infield during the tournament up the finals. Nazi Miller, Champion's ace hurler, gave up seven hits, but except for the two Chattanooga concentrated in the fourth for their winning tally, he kept them well scattered. For Champion, it was the fourth defeat of the season suffered at the hands of the Woolens, who had beaten the Tar Heels in three regular season contests. Chattanooga 000 100 0-1 7-0 Champion 000 000 0-0 1-1 Buck Miller and Cayce; Nazi Miller and Mease. Florida's Clearwater Bombers capitalized on the breaks Monday to hand the Champion YMCA softballers a 2-0 licking in the Southeastern Tournament at St. Petersburg, Fla. Nazi Miller, Champion pitcher, kept six hits scattered, but both Clearwater runs came in on hits to him. The Florida state champions broke up a scoreless tie in the top of the third. Pitcher Herb Dudley came in from second when the Tar Heel first baseman bobbled Miller's throw after Miller had fielded a grounder to the mound. Catcher Harry Hancock came home with the clincher in the fourth. He went to first when he was hit by a pitch, advanced to second on a single, then went all the way to the plate on Miller's throw to first. Dudley held the Tar Heel batters to two safeties and struck out an even dozen. The Line Score: R H Clearwater 001 100 0-2 6 Champion 000 000 0-0 2 Dudley and Hancock; Miller and Mease. Little United Nations On University Roll

PULLMAN, Wash. (UP)—The office of foreign students reported that 12 students have been accepted for the fall semester at Washington State College. They include Choon Shik Hong, police science graduate, and Wei Yip Huang, research assistant in dairy husbandry, both of Korea; Ingmar Sveinsson, Iceland; Adebek Khoury, teaching assistant in chemistry and chemical engineering, Palestine; Eva Lenzova, Prague, Czechoslovakia, and Chiu Tang, Hangchow, China. Others are Bjorn Andreson, Oslo, Norway; George Dieppa, San Juan, Puerto Rico; Chang Hsin-Pao, Taiwan, China; Maria Angelus Fresnido, Leyte, Philippine Islands; Jan Fronen, Holland, and Marianne Westerberg, Stockholm, Sweden. Because they were adopting the western method for computing ages, every Japanese man, woman and child will become one to two years younger the end of this year.

A GOOD PILOT— "Keeps his feet on the ground"

There's one business where you just can't let things slide. Actually, there's no business where you can let things slide and still stay right up there. That's why the beer industry in this state, like Buck, spends a lot of time checking up—seeing to it that beer is sold strictly under the regulations set up by the Malt Beverage Division of the North Carolina ABC Board. Tavern owners realize that when you "let things slide" you're due for an "unhappy landing."
