JEWELER"I keep thinking
I see elephants!"

Dan: "You do, Ted. I'm gonna parade these elephants around town, carrying signs that read, 'LENNOX—World's Largest Manufacturers and Engineers of Warm Air Heating Systems.' Like it?"

Ted: "Sure—but how come?"

Dan: "Well, the Lennox name is famous in home heating. The Lennox Company is the most prominent in the business; they have over 5,000 experienced dealers like me. This message also shows why Lennox systems are so efficient; they're built by experts!"

Ted: "And the final words tell me there're lots of Lennox systems!"

Dan: "Dozens and dozens in sizes and types for gas, oil, coal! What do you think of my idea?"

Ted: "Super-colossal! And here's some more advice: sign me up for a Lennox now."
