"Our Baby Eats, Sleeps And Looks Fine On Scalf's," Say Parents

Mrs. Lowell Fannin, LaFollette, Tenn., writes: "Our baby boy, Lowell Cooper, lost his appetite entirely. We forced food down him but that only ended in making him nervous causing indigestion so that he could not retain what he ate. He looked anemic and seemed listless and weak. The first bottle of Scalf's Indian River Medicine seemed to improve his appetite. Soon he became full of pep and started growing. Now he looks fine."

Tackle Zollic Fineannon, rolled up a net 134 yards rushing. The Mountaineer defense tossed them back for a total 16 yards lost.

The Hurricane punting averaged 31.7 yard per try. And the passing attack was on the bench for the whole game. Sylvia didn't attempt a single aerial.

The Mountaineers covered Davis' punts with excellent efficiency. The Sylvia safeties returned one for less than 18 yards and got nowhere on the others.

The losses of Sutton and Tackle Bob Setzer through practice injuries left the Mountaineers at less than 100 strength.

But veteran observers said even with Waynesville at full strength it would have been a close, hard game — as the Waynesville head coach predicted last week.

The result left Haywood fans with a mingled sense of relief and disappointment, and the coaches with mostly a sense of relief, for the opener is always a worry.

At the same time, it was a moral victory for a team that is the best Sylvia has produced in years and a personal triumph for the ex-Western Carolina Teachers star who took over the Golden Hurricane coaching reins only last season.

With Fineannon on the bench, Sylvia opened the '49 campaign last Friday by battling Hayesville's defending Smoky Mountain Conference champions to a scoreless tie.

The muddy field proved a particular worry for Waynesville's passing attack. By half time, all the players were so plastered with the gumbo that the passer had trouble telling friend from stranger.

On one occasion, however, it turned out just as well. Womack, trapped by the rushing defenders as he was looking for a receiver, slipped around and circled end for an 11-yard gain.

Sylvia's supporters turned out in a solid mass to see the game they had been pointing for all summer. The high-spirited cheer leaders made sure there wasn't any dead silence at any moment, and the Sylvia bandmen headed by the drum majorettes gave a smooth performance between the halves.

Waynesville's cheer leaders matched their opponents' efforts yell for yell, putting on the pressure when the going was roughest.

The grid battle was gloom but clean. Only six penalties were called in the entire contest, and four of them were for offense.

Each team drew only one 15-yard fine each.

The Mountaineers will start heavy work tomorrow for their first home game of the season. They'll meet Tryon Friday night at the local field.

approval of the idea. "Well," he said, "that settles it. We won't have to hold a director's meeting."

Grover Suttles, general YMCA secretary, said that in his 37 years of "Y" work he had never seen a team he could be as proud of as this 1949 squad.

He also pointed out that one point of justifiable pride was the fact that the squad was made up entirely of Canton boys.

Four players who were on the first Champion team that ever played in a state tournament figured prominently in bringing the first state crown to Canton. They are Dewese, Pitcher-First Baseman Windy Sams, Walt Spence, and Shortstop Steve Scarborough.

Lee McElrath, head of Champion Paper's personnel division, introduced the speakers as toastmaster.

Louis Gates, Champion YMCA president, told the audience that the team had reflected great credit on Champion and the town of Canton, in establishing a fine reputation in both playing ability and sportsmanship.

Edwin Hayes said Canton had furnished outstanding teams for ten years or more.

"We salute you tonight," he said, "as outstanding athletes and state champions."

Spence declared he enjoyed the past season of softball better than any other he has played with in Canton, and Ted Jamison, in an address sparkling with kindly wit, complimented the players on having done a fine job.

H. A. Helder, the Champion company's Canton division superintendent, told the audience that "we are happy to have this group represent Canton on softball teams, and hope to see many more fine teams in the years to come."

Michael had praise for both players and Canton's fans for their demonstration of fine sportsmanship all through the season.

"The visiting teams this year," he added, "said they never played before a better bunch of fans."

The event drew the curtain on the most successful season in Haywood County's colorful sports history.

George Stamey, the heavy-hitting outfielder, and Catcher Bobby Mease were named to the tournament ended. Champion's 1949 record in all games against the strongest teams in the South shows 30 victories in 41 contests.
