To Attend One
Class Daily

MAKE YOUR PLAN
NOW TO ATTEND
THIS SCHOOL!

Due to the national as well as the local demands for better food-handling methods, the District Health Department requires that all OPERATORS of RESTAURANTS, CAFES, DINING ROOMS, LUNCHEONETTES, MEAT MARKETS, SCHOOL LUNCH ROOMS, SLAUGHTER PENS, and other FOOD-HANDLING establishments and their EMPLOYEES attend the classes. No permit will be given to prepare or serve food unless the parties requesting same can present a certificate of attendance to this food-handling school.

Certificates will be granted to the individual food handlers who attend three or more classes. Certificates will be given to operators showing the attendance percentage of their employees.

As classes to be held at 9:30 A.M. and 3:00 P.M. are the same for each day, send part of your employees for the morning classes on each of the three days and the remainder for the afternoon classes.

Prospective employees not working at present, but who will be used during busy seasons, should be enrolled and sent to the schools. Establishments that operate seasonally and that are not open on this date should, wherever possible, attend this school and bring all the employees who will be used during the busy season.
