

RED CROSS ADVISES HOW TO BATTLE COLDS

HERE ARE SOME common sense precautions urged by the American Red Cross to help you avoid colds this winter. A basic rule is to eat nourishing meals.

AVOID CHILLING and wet feet. Change to dry clothing after exposure.

WASH YOUR HANDS often to get rid of possible virus, especially before eating.

AVOID PEOPLE with colds. If you sneeze, be sure you have covered up.

GET PLENTY OF REST. If you have a cold, stay in bed and protect both yourself and others. 'Just a little cold' may be dangerous to those in contact with you.

Library Notes

MARGARET JOHNSTON
COUNTY LIBRARIAN

A LOT OF BOOKS

The circulation of the county library during July was Waynesville 3086, Bookmobile 2310, Hospital 122, making a total of 6418. In August Waynesville circulated 3902, Bookmobile 1996 and the Hospital 101 making a total of 5999. During September Waynesville checked out 2941 books, the Bookmobile 1786 and the Hospital 119 making a total of 4846 books. For the three months period it shows a total of 17,263.

It is a lot of fun to go out on the Bookmobile. Last week I found myself wanting to look at all the

pretty foliage and talking too long to the borrowers about books that I was late for the next stop. To me the greatest joy of Library Work is to help someone find a book they want to read. It is very gratifying to drive up to a Bookmobile Stop and find a group of people waiting for you. My, but these rural people are doing some grand reading. Can you imagine 663 books being checked off the truck on the last three trips. All kinds of books, too! October 1st marked the end of the Bookmobile's first year of service. During that time 24,195 books were loaned from the truck. It traveled 6,809 miles and during that time it missed only one trip. All kinds of books have been used from the collection by men, women and children. Some have been read for pleasure, others for study and many to help answer questions about their everyday problems. It might have been material for a club program, a devotional, home decoration, crafts, party ideas, poultry, parallel reading or even a horse or dog story for the children. It might have been a Western or a romance, travel or biography, a war experience or history or a suitable book for a club review. Whatever the need may be the Library is attempting to meet that need. Just suppose that each person who reads a book from the Library, the Bookmobile or the Hospital would mention it to someone else! You are our best advertisement for every time you mention the Library it may help introduce your neighbors to its many facilities.
