Bags of money! Stacks of silver, nickel and copper coins! Neatly-bound packages of crisp new currency! This is a common sight in the vaults of banks and the financial institutions of the world.

Money plays a big part in life. It represents human labor and material production and is the medium through which man exchanges his toil for food and other necessities and comforts of life.

It is important to know how to handle money wisely and well. Some people squander it to their sorrow; others worship it as their supreme aim in life. These attitudes are both unsound and dangerous.

Worship should be reserved for God alone, and right living should be the supreme aim of one's life. Money is a useful instrument in the material world, but it is secondary to man's spiritual welfare.

The Bible teaches us to be diligent and thrifty; it also teaches us to love God and cherish our religious faith above all the world's wealth and glory.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
