Head Python

JIM GUDGER, ex-Western Carolina football, baseball and basketball star, will bring his Monroe Pythons to Canton next week for their Paper Bowl date with the Waynesville Mountaineers. It's only his second season as Python coach, but he hit the jackpot—11 victories, another two losses in their regular schedule.

defensively. Mehalley, however, got the vote of Jim Gudger as the best Waynesville lineman in the first half. The Monroe coach carefully studied the game from the press box in preparation for Wednesday's Paper Bowl meeting between his Pythons and the Mountaineers.

Harry Jaynes, his assistant who played center for the Mountaineers from 1941 through 1944 helped him out with the scouting.

The Mountaineers started rolling late in the first period. After Moore punted out on the Waynesville 47, they went all the way for their first touchdown.

Womack slipped through tackle for eight yards, then Whisenand made it a first down on the Canton 43.

After Garrett was stopped at the line, Womack oozed nine yards on a quarterback sneak, then shot a jump pass over the line to End Bob Owens for four more.

Whisenand powered through for nine more to the 21, and Garrett made four and a first down on the Canton 17.

Halfback Jimmy Moss sprouted five yards around end, then Whisenand went 14 yards on three straight smashes, and plunged over the goal line from the one-yard plunge for the point was secured, however, and the Mountaineers led, 6-0, 11 minutes and 50 seconds after the opening kickoff.

The Bears drove 63 yards for their touchdown with the next kickoff.

Pless took it on his 20, and returned it to his 37 as the period ended.

Rhymer and Fullback Sam Co-man picked up 14 yards in the first three plays of the second period, and Rhymer crossed into Mountain-ier territory on a three-yard run. Moore lost a yard and a half to Setzer and McCracken.

No Stranger Here

HARRY JAYNES learned his football under Coach C. E. Weatherly at Waynesville, im- proved it at Western Carolina, then returned to Waynesville as an assistant coach for the Mountaineers. He'll be on the other side of the fence next Wednesday at Canton. He's as- sistant football coach for the Monroe Pythons.

back and finished Moore as he went back to punt.

The lead went out on the Canton 43, and the Mountaineers took the lead in nine plays.

Dewesse gained four then Womack slipped through for five more on a quarterback sneak after one play was stopped by Canton's Quarterback Nucky Carter.

Dewesse gained two yards for a first down, then four more on his next try.

Philips tossed Whisenand for a one-yard loss, but then Dewesse rammed all the way to the Canton end-line and smashed over on his next try for the clinching touch- down.

Davis' pass for the extra point was knocked down, but it wasn't needed.

On the next kickoff, the Bears went to their own 33 on one of the only four penalties called in the entire game.

But three plays later, they were back on their own 28 again.

Moore got off a nice punt to Davis who ran it back 14 yards to the Waynesville 49 on the last play of the third period.

However, Davis and Moore pointed back and both again once each before the Mountaineers set- tled down into another scoring drive.

Waynesville Set For Paper Bowl Tilt Wed.

(Continued from page one)

none of Monroe's fine backs are as fast as Waynesville's triple-threat star, Bob Davis.

Monroe will hold the favorite's role going into the game. But the local odds have dropped in the past week from two to three touch- downs to six points.

Coach C. E. Weatherly and his assistants, Marshall Teague and Carl Ratcliffe are unanimous in their agreement that this one prom- ises to be the stiffest test their Mountaineers have faced yet.

Weatherly and Ratcliffe both scouted Monroe in the Pythons' Lions Bowl game last week-end.

The Waynesville head coach this morning paid his respects to the power of Monroe's single-wing at- tack, Hadley, and Winback Don- ald Lemmond.

Lemmond is a fast, 180-pound junior who is a shifty runner, dan- gerous in the open field and flank sprint.

Generally, however, Monroe's starting backfield can be replaced by a man with another set of backs that are just about as good.

Joe Connelly, 228-pound junior tackle, does the extra-point kick- ing for the Pythons, and has mis- sed few this season, though he did miss one the other night.

Opposing coaches reported to- day that their squads would be in good physical shape by kickoff time.

The Mountaineers came through last Thursday's battle without serious injuries.

There had been no reports by noon today that the Pythons had important casualties from their bruising game with Lenoir.

Ralph Goforth, chairman of the Paper Bowl Committee, would not give his forecast of the result of the contest, but predicted it would be a close game.

"We—the Bowl committee—picked what we thought were the two best-matched teams available," he said, "in an effort to give the fans a good game."

"In selecting Monroe and Waynesville, I believe we have suc- ceeded."

Colorful ceremonies and other events have been prepared at a many.

Waynesville-Canton lineup:
Canton: LT Seering, RT Pless, LG Clark, C Ame, RG Moore, RT Mann, RB Phillips, QB Carter, EH Moore, RH Deybin, FB Coman.
Waynesville: Yarbrough, Setzer, McCracken, Boyd, Mehalley, Mikonson, Owens, Womack, Garrett, Davis, Whisenand.

Monroe's 228-Pound Point Specialist

Joe Connelly, a 228-pound senior tackle, specializes in booting the extra points after Monroe makes the touchdowns. He's been very busy all season. The only time the Pythons really needed his special services was in the Belmont game. They won, 13-12.

back drop for the game.

The crack Waynesville and Canton High School bands and one other to be selected will perform before kickoff time and between the halves.

At intermission also, the Mountaineers will be presented formally with the trophy indicative of the Blue Ridge Conference football championship.

It will mark the second consecu- tive season that the Mountaineers will have taken part in these cere- monies in the Paper Bowl.

On Wednesday night, the play- ers on both squads will be hon- ored at a banquet by the Champion Y.M.C.A.'s Men's Club, which spon- sors the annual Paper Bowl game.

Also scheduled to attend are newspapermen, officials, and other.

The final details for the game itself were wound up last week-end with the selection of the officials.

These were selected from nomi- nations made by the opposing coaches, two picked from the list of each.

Goforth said Charlie Mundy of Lenoir Rhyne would be referee; Barkley of Chatham, umpire; Bill Moore of Holston, local time- man; and Bill Shaw of Tennessee, field judge.

Monroe, Lenoir Tie, 13-13

Monroe's star fullback Hunter Hadley, scored twice as the Py- thons and Lenoir battled to a 13-13 tie before a large, though troz- en crowd of fans in the Lions Bow- football game at Hickory Satur- day night.

Lenoir's powerful T formation grid- ders had to stage a belated rally in the final period to earn the deadlock with Jim Gudger's previous undefeated united South Piedmont champions.

With Hadley pacing the drive, Monroe rolled 89 yards in the first period to take the lead with Hadley smashing into the end zone for the first score.

Tackle Joe Connelly's place- ment was perfect.

Lenoir came back in the sec- ond period with a matching touch- down, but the Bears' failure to convert left them trailing, 7-6, at intermission.

The Pythons widened the gap af- ter intermission when Hadley in- tercepted a Lenoir pass on the Bearcat 20 and ran it back to the two before he was stopped.

He smashed over from that point seconds later, but Connelly's place- ment for the point that would have won the game failed.

Lenoir salvaged the game early in the final period and added the tying point.

Coach Carleton Weatherly and Assistant Coach Carl Ratcliffe of Waynesville both watched the Pythons carefully by way of prepara- tion for the Mountaineers' meet- ing with Monroe in the Paper Bowl next Wednesday at Canton.

Buck Howie, right half, Donald Lemmond, fullback, Hunter Had- ley.

Kickoff, 3 p. m. Officials: Ref- erree, Munday; Lenoir-Rhyne, Um- pire, Barkley; Chatham, Head Lin- esman, Morris; Holston, Field Judge, Shaw, Tennessee.

CALUMET FEEDS BEST

MIAMI (AP)—The Calumet Farm stable at Hialeah feeds its horses a little differently. Most trainers prefer hay that is only about 45 per cent clover for their horses, but Ben and Jimmy Jones, Calumet trainers—use about 75 or 80 per cent clover. The Calumet hay also is sorted so the light eaters and little fillies are fed the richest of it.

WALTONS OUTSPEND NIMRODS

SAN FRANCISCO (AP)—Last year Americans spent nearly twice as much on fishing as they did on hunting.

Figures reported by the California Division of Fish and Game show that \$1,450,000,000 was spent by American anglers in 1948, while the hunters dug down to the tune of \$75,000,000 for their sport.
