CONTRACT WITH GOD

This is the one contract that a lawyer cannot draw up.
It is also the one contract that has no standing in court.
When a man enters into a contract with God he needs neither lawyer nor code of laws. All he needs is a grateful heart!
He may write this contract on a church pledge card, or merely make a "mental note" of it—but the terms are always the same:

"Because God has Given me so much, I will return ALL I CAN TO GOD."

We have churches and institutions of mercy today because men have made and kept such contracts through the ages. What we will have tomorrow depends on the honesty and gratitude with which we deal with God today!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
