and William Leroy Beck of Alaway. New Jersey: 10 grandchildren and Crawford Funeral Home is in

Tractor Care

To keep the tractor running smoothly, one of the most important jobs is to help the air cleaner do its work. The air cleaner removes dust and dirt from the air before it passes through the engine. Farmers who clean the air cleaner and replace the oil once or sponsorship of the ladies of the dusty conditions find they save money on repair bills.

Calumet Farm Famous Calumet farm, a few miles out of Lexington, Ky., covers 2,500 acres. Virtually all major Robertson's parents, Mr. and racing honors have fallen to Calumet in recent years.

AP Newsfeatures CHRISTMAS CARD ALBUM, designed to fit on any book-shelf, opens up in eleven sturdy pockets to form a festive Yuletide decoration. After the holidays it folds away to provide a permanent list for next season's mailing, "Cherished Christmas Cards" is its title, stamped on the binding. Contrived by the American Artists Group, the album is covered in a red leather-style finish.

Bessemer Process One of the oldest and most spec-

tacular of all the present processes employed in steel-making is the Bessemer process, A blast of air is blown through the molten iron, and elements such as carbon and silicon are exidized in the intense heat that is generated. Modern converters can produce about 25 tons of single "blow."

Electronic Moisture Meter Many painting contractors now meter which tells instantly whether wood or plaster contains too much

Poisonous Plants Among our poisonous plants are

poison ivy, poison oak and poison summe. During the summertime, persons who enter the woods, travel along creeks or other waterways, or walk through fields along fences, hedgerows or stone walls should be especially careful. It is well to make it a point to learn just what these plants look like, a: : in addition, what to do if infected. There is no such thing as immunity to poison ivy. Persons who have avoided infection previously, after repeated contact with are using an electronic resisture these plants, may develop poisoning through subsequent exposures, under different conditions

Movies Combat Noise Of Popcorn Eaters, By Having Printed Script

HOLLYWOOD (UP) - The movie industry finally has arrived at a solution of the popeorn problem. If you can't hear the dialogue for the crunching you can buy the script in the lobby and find out what it's all about.

This way the exhibitor makes money selling you popcorn and the producer makes money selling you the script. And you'll be sure of knowing what's going on. At least you'll know as much as the actors

"People are interested in reading hit plays in book form," pro ducer Sam Engel reports. "Publish ers' men tell me that there soomay be a demand for hit movies in

Engel doesn't mean novelized versions of movies, but the actual movie scripts complete with cam-

"More than one major book company is looking over the good pictures of the past with the idea of issuing them in their actual shooting script form," he said.

Interest Grows

Success of book versions of cripts of plays like "Death of a Salesman" has inspired the sudden interest, Engel said.

"The fact that one has seen a good movie adds to one's pleasure in reading the script later," he said. "I've had friends of mine ask me for scripts of my productions after they've seen the pic-

Scores of movie fans and organizations have written, he added, for the script of his current release, 20th Century-Fox's "Come to the Stable"

Some of the finest American writers, Engel said, have collaborated on movie plays.

"We don't want people to stay away from movies," he added. "I foresee the day when movie scripts will be as big a part of the nation's reading diet as movies are of-its entertainment diet."

Mr. and Mrs. Rufus W. Summerrow have returned from their wedding trip to Florida, Mrs. Summerrow is the former Miss Josephine Cabe.
