In the 31st chapter of Jeremiah, he fells of the Lord's goodness to his repentant and forgiven children in the new kingdom, when He would make a new covenant with them. After this new covenant there would be no need to teach of God, because He would be in all their hearts.

Finally, we would take notice of our Memory Verse. If we followed its teachings-which was Jesus' - wars would really ceaseve would fear it no more. Love can do no wrong.

If the nations would try that possibly not loving, but trying to understand one another; looking for virtues instead of faultfinding; each minding its own business and leaving others to practice their own individual concept of better governmentwhat a change would come about in a short time.
