Sealed bids will be received by the Town of Waynesville, North Carolina, by Mr. G. C. Ferguson, Waynesville, N. C., up to but not later than 2 p. m. January 14, 1950 for all trees designated for cutting located on an area embracing about 400 acres on the Western portion of Old Bald Mountain, Waynesville Municipal Water-bed, Haywood County, N. C.

The timber will be sold as is and where is on a lump sum basis, for all marked trees and 21-1/2 inch merchantable trees 2 1/2 inch trunk one approximately 5 feet above the ground and the other approximately 6 inches above the ground. Call trees are marked with one yellow paint spot below stump height, and may be removed at the purchaser's discretion. All chestnut is included in the sale whether marked or not.

It is estimated that said designated trees will produce approximately 1,424,000 board feet of hardwood lumber, 5,000 bd. ft. of chestnut lumber, and 84,000 bd. ft. of softwood lumber. These trees are further divided into quality groups to arrive at a fair evaluation of the timber. Distribution by species and quality groups is shown by papers on file.
